A Truly Devoted Northern Viking

The 1978 Noroscope Staff is dedicating the 50th Anniversary Noroscope to Mr. Gene Riccelli who has served Northern for forty years.

He was born in Eveleth, Minnesota and attended Eveleth Jr. College, followed by Stout Institute, earning his Bachelors of Science degree, and then to U of M, where he earned his master's degree. Mr. Riccelli and his wife, Phyllis, have two children, Julie and Rick, both of whom graduated from Northern.

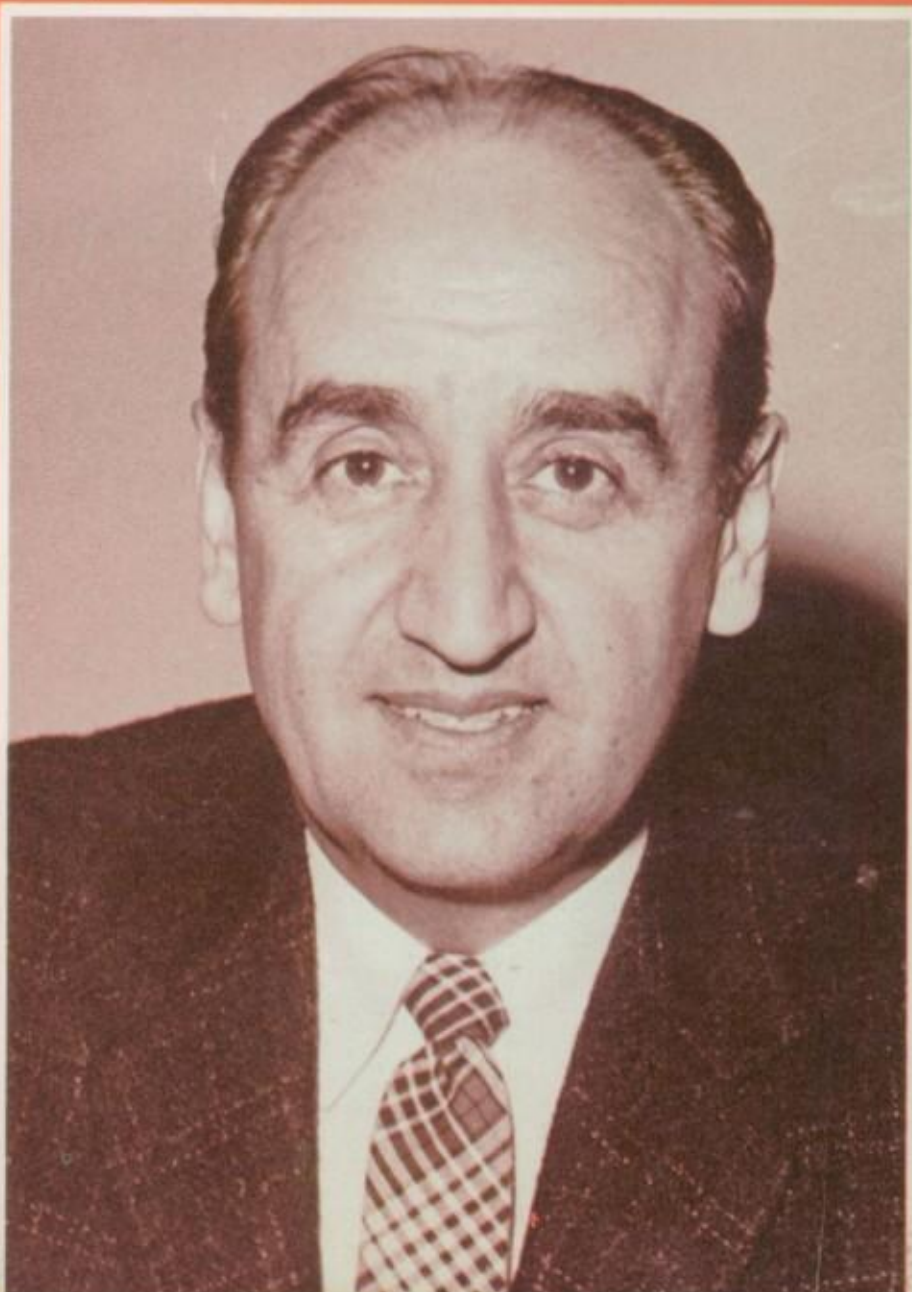

When Mr. Riccelli first came to Northern, he was the industrial arts teacher and within a few years, became the faculty athletic manager and part-time counselor. He is presently a full-time counselor.

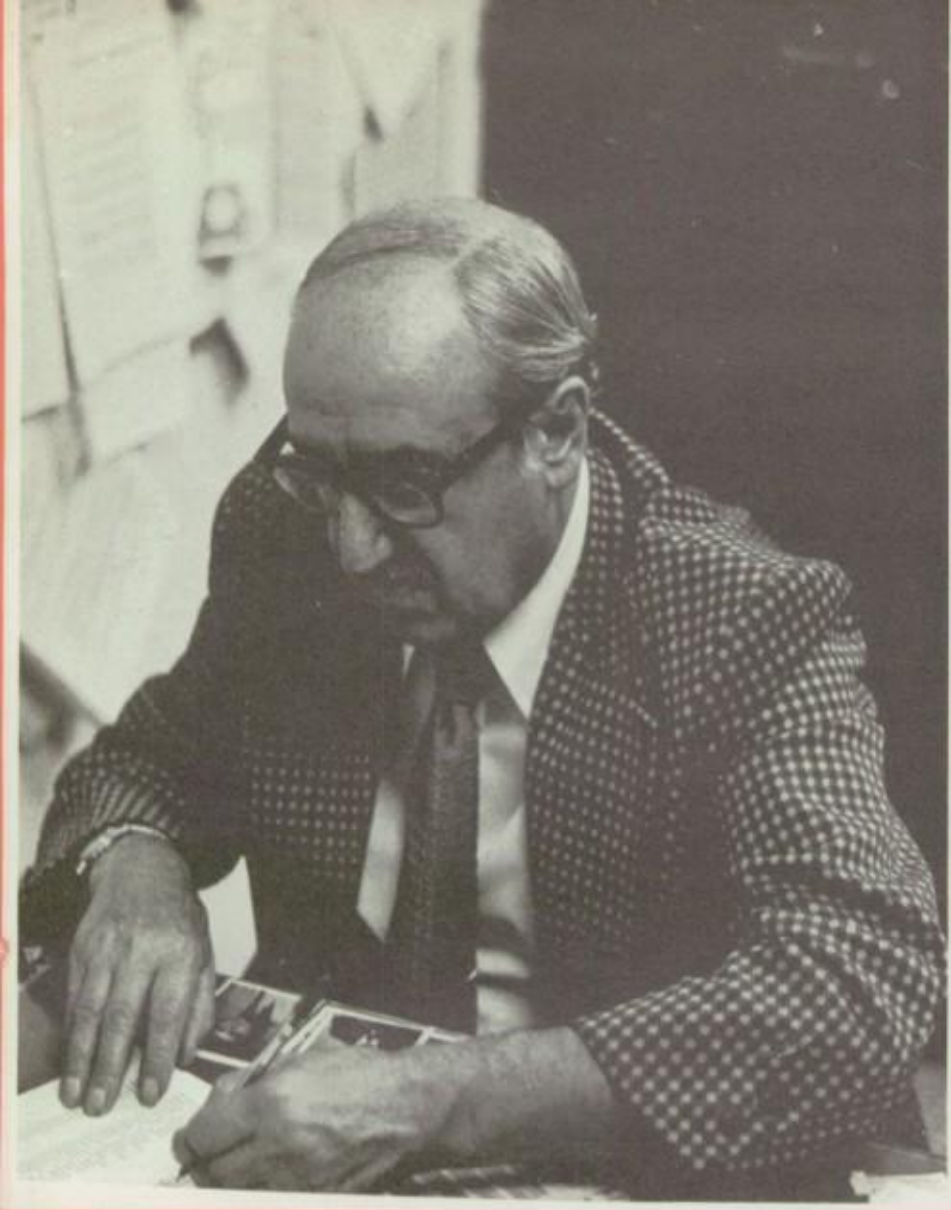

He has received awards from the Flint Youth Bureau and the Saginaw Valley Athletic Association for his dedication.

Here are a few feelings that should be expressed. Mr. Marvin Pryor, principal, feels, "When you think of the name Northern, you think of the name Riccelli." Mr. Edward Krupa added, "Northern will miss him and he will miss Northern, there's no doubt about it."

1. Mr. Riccelli in his younger years.

2. In 1931, Mr. Riccelli tried to create a new vegetable by combining carrots, lettuce, cauliflower, onions, and radishes from his greenhouse at the old Northern.

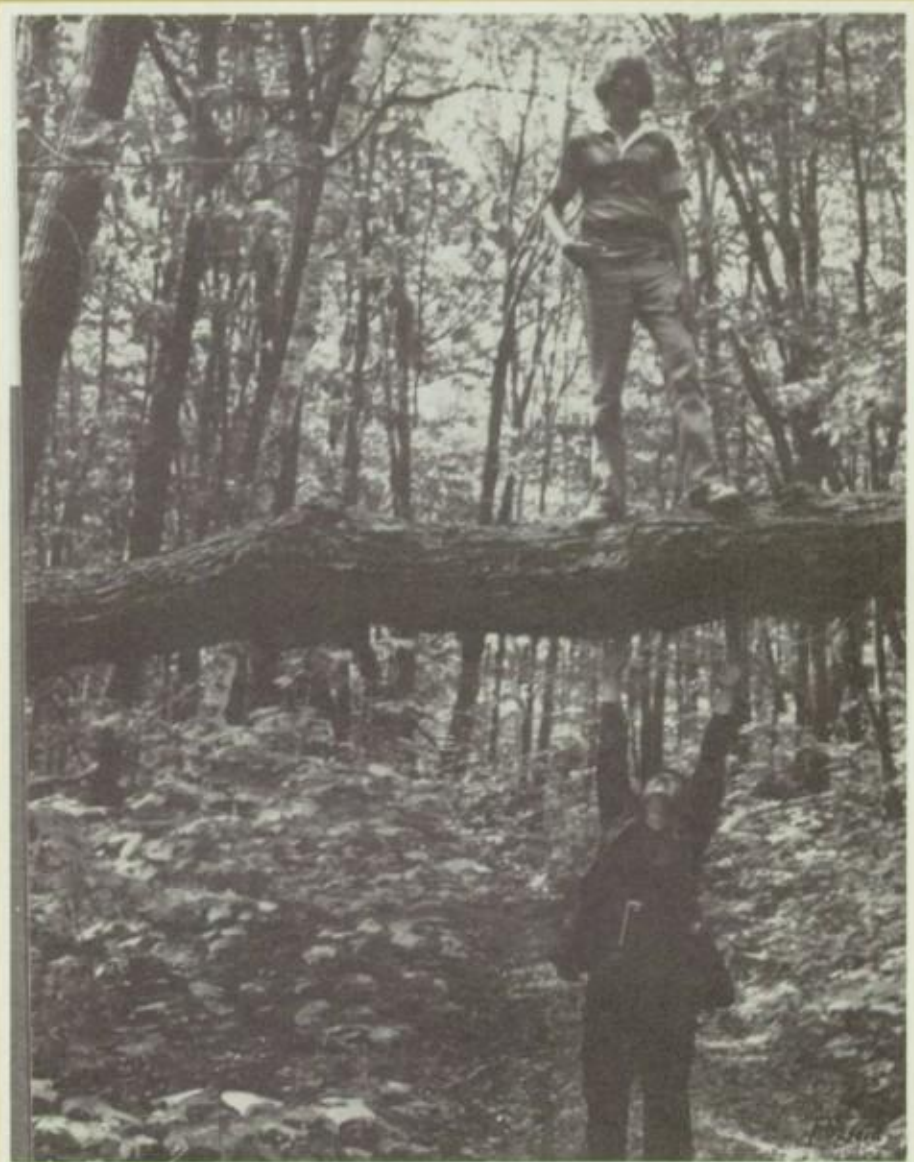

1. A recent picture of Mr. Riccelli concentrating on his work as a counselor at the new
2. Mr. Gene Riccelli in the late 60's, over at the old Northern, is busy with counseling duties.
3. Mr. Gene Riccelli has been on the staff longest and Mr. Bill Viverette, and alumnus and teacher, along with Mr. Donald Gavilio, the former principal, and class representatives, prepare to break ground at the site where there present Northern stands.
4. Mr. Riccelli, participating in one of the first pep rallies at the new Northern.
5. Back at the old Northern, Mr. Riccelli takes time to look over some records of his students.

Vikings Still Enjoy The Voyage

The course of the fifty year Viking Voyage has been an exciting journey. Northerners have always been gifted with outstanding talents that they chose to put to use in and out of school.

But what do Vikes do outside the campus of NHS? Northern students participate in church-related activities, political campaigns, charity drives, and block club events. When in smaller groups, they may go shopping, bike-riding, lay around listening to the latest sounds or rapping on the phone.

Though the Viking ways have changed over the past fifty years, things are still basically the same. Instead of disco dances there were sock hops, and young ladies graduated from ankle busters to nylons.

People speak of the past as the "good ole days", but for Flint Northern Vikings of 1978 a realization has been made. The past can't be brought back, therefore, this year's aspiration was to make life something worth remembering. As the Viking ship continues its voyage, the landings made in '78 will never be forgotten.

Northern Ties Central For City Crown

1.

The 1977 varsity baseball team ended a successful season with a 17-12 record and shared the city crown with Central at 4-2.

Mr. William Adams, the team's coach, said that the season was very rewarding and that the standouts were ever present. Randall Churchill led the team in hitting with a .400 plus average throughout the season. Other top hitters were Ted Faris .373, Bob Wylie .345, and Vince Pastue .333.

Matt Lane headed the hurlers with an 8-2 record and 1.06 earned run average. Other pitchers were John Bontumasi, Gary Long, Dan White, Rick Vargas, and Jeff Sabolish.

The team went as far as the semi-finals in the Greater Flint Regionals by knocking out a strong Carman team.

The 1978 season should prove another great year with juniors Jeff Rahn, Matt Lane, Rick Vargas, Bob Wylie, Bill Jentzen, Leo and Leon Bell, Bob Howlett, and Jim Pendall in the starting rotation. All Valley-Randall Churchill, Ted Faris, and Matt Lane.

2

J. V. Team Shows Strength And Determination

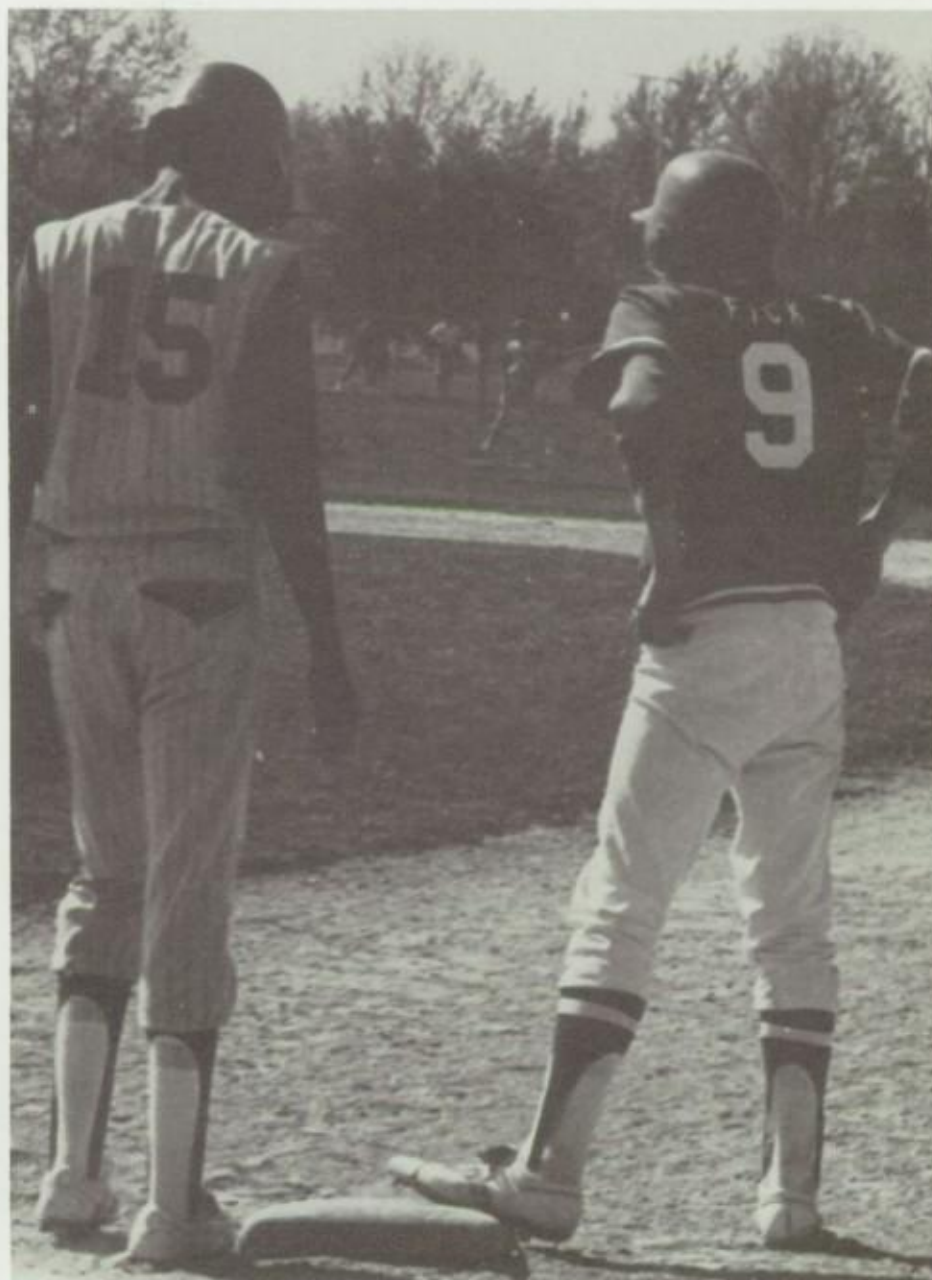

The 1977 J. V. Baseball squad was in a building process with first year coach Helmut Petrich. Mr. Petrich should well be satisfied in his debut with an 11-13 record as he really picked the game up quick.

Tom Schaezner led the team slugging-wise with a whopping .457 batting average closely followed by another great hitter Leon Bell. Lee Gordon had the team's lowest earned run average and Jim Mick had the most wins.

Four outstanding players were moved up to Varsity to see some action late in the year. They were Leon Bell, Tom Schaezner, Jim Mick, and Henry Harris.

The results of the season reveal visions of victories for the 1978 Varsity team which will pick up many of the 1977 J. V. players.

Mr. Petrich saw this season as one to really prove his worth as a coach on the J. V. level. The success he promoted this season may inspire him to continue coaching J. V. Baseball, and the team should continue to prove successful as a result.

1

Concentration and deep thought about his next move is apparent as Leon Bell readies himself for the next play.

Eighth Time; State Champions

"Yeah, we took state-Vikings '78!"

A dream came true for the Flint Northern High School basketball team of 1978. The Varsity Viking team finished an unforgettable season with these accomplishments:

16-3 win-loss record

1st place tie for city

1st place valley

District champions

Regional champions

and for the 8th time in the 50-year history of the school, 1st place State Champions of Michigan High School Basketball.

Along with the state win over a strong Pontiac Central, they had big victories over Lansing Everett, Flint Northwestern and Flint Southwestern.

The leading scorers for this #1 team were Gary Pool and Craig Tucker. They, and Curtis Carroll were the tri-captains.

Mr. Bill Troesken was the proud coach of this year's winners.

During the 50th anniversary year, this no. 1 team worked hard and united in holding the no. 1 Flint Northern Viking banner.

J. V. Basketball Shows Good Form

Mr. Reginald Manville was the coach of one of the finest junior varsity basketball teams in the state of Michigan. The players were from Flint Northern High School.

Even though there were many sophomores on the team, they finished the 1977-78 season with a 12-7 win-loss record. The team of 6 juniors and 9 sophomores lost several games in the last few seconds.

Monsanto Love, junior, was the team's leader in rebounds. James Preston and Kermit Pitts played very well as sophomores.

With the younger team members gaining experience the team showed great determination and desire to grasp the Viking victories.

Varsity basketball coach, Mr. Bill Troesken, observed the team in action commented that the, "Prospects look good for next year's Varsity."

In their 50th anniversary year, this no. 1 junior varsity team worked hard at keeping up with the no. 1 Flint Northern Viking status. They put forth as much effort as any team that ever set foot aboard the glorious Viking ship.

Flint Northern's girls' varsity basketball team displayed its mark of excellence as they wrapped up the 1977-78 season with a win-loss record of 12-4.

To accompany the team accomplishments there were also some very outstanding individual records made. Sophomore Paula McGee was nominated by the Detroit Free Press for honorable mention on the All State team. She was also selected as one of 5 players, (and the only sophomore to do so) to be on the 1st team in the Valley. Her twin sister Pamela, along with Kimberly Tarrt, Joann Lathon, and Joann Creamer received All Valley honorable mention.

The coach, Ms. Dorothy Kukulka, better known as Ms. "K", has been the coach since girls began playing intramurally in 1973.

In the past 5 years that there's been a team they have set some tremendous records, but this year marked the most records with the highest total game points, at 99; the most number of people in double figures, at 6; and longest seasonal winning streak of 10 games.

Girls' J.V. Team "Too Hot To Handle"!

Northern's girls' jr. varsity basketball team proved themselves to be "too hot to handle", as they finished an incredible season with an outstanding record of 14-1.

The coach for the 1977-78 team was Mr. Nate Jones. He stated that their goals at the beginning of the season were

- 1.) to combine individual skills and talents together to form an overall team movement into one smooth working unit.
- 2.) to win the city title, and
- 3.) to win the Saginaw Valley title

Mr. Jones proudly affirmed that the 4 juniors and 7 sophomores attained their goal as they captivated the city and valley titles with an excellent display of no. 1 teamwork.

Mr. Jones also commented that the J.V. team for 1978-79 looks very promising. The Varsity Girls' Basketball team for next year also looks to be a definite success with some of these outstanding J.V. ers' joining the team. They are one more reason the Vikings hold their heads up in pride.

Viking Harriers Are 1st In City And Valley Meets

Northern Cross Country runners closed another season with the Viking pride of being no. 1.

Senior Bryan Dent was the Captain of the 1977 squad of 1 senior, 5 juniors, and 1 sophomore. He was also no.4 runner.

Tom Cady, who was the only sophomore on the team, was also no.4 runner and broke the sophomore record at Mott Park.

The record for this year was 4-2. The Cross Country Vikes also took the City, The Eisenhower Invitational and the Valley 1st place titles.

At the Awards Banquet, Bryan Dent received the "Captain's Award". Junior Carl Torrey received the "Most Improved Award", the "Most Valuable Runner Award", and was elected Captain for the 1978-79 squad.

The 1978-79 season looks extremely promising with the first four place runners returning. They are no.1 Carl Torrey, no.2 Monsanto Love, no.3 Dan Fowler, no.4 Tom Cady. Mark Woodbeck will also be returning next year.

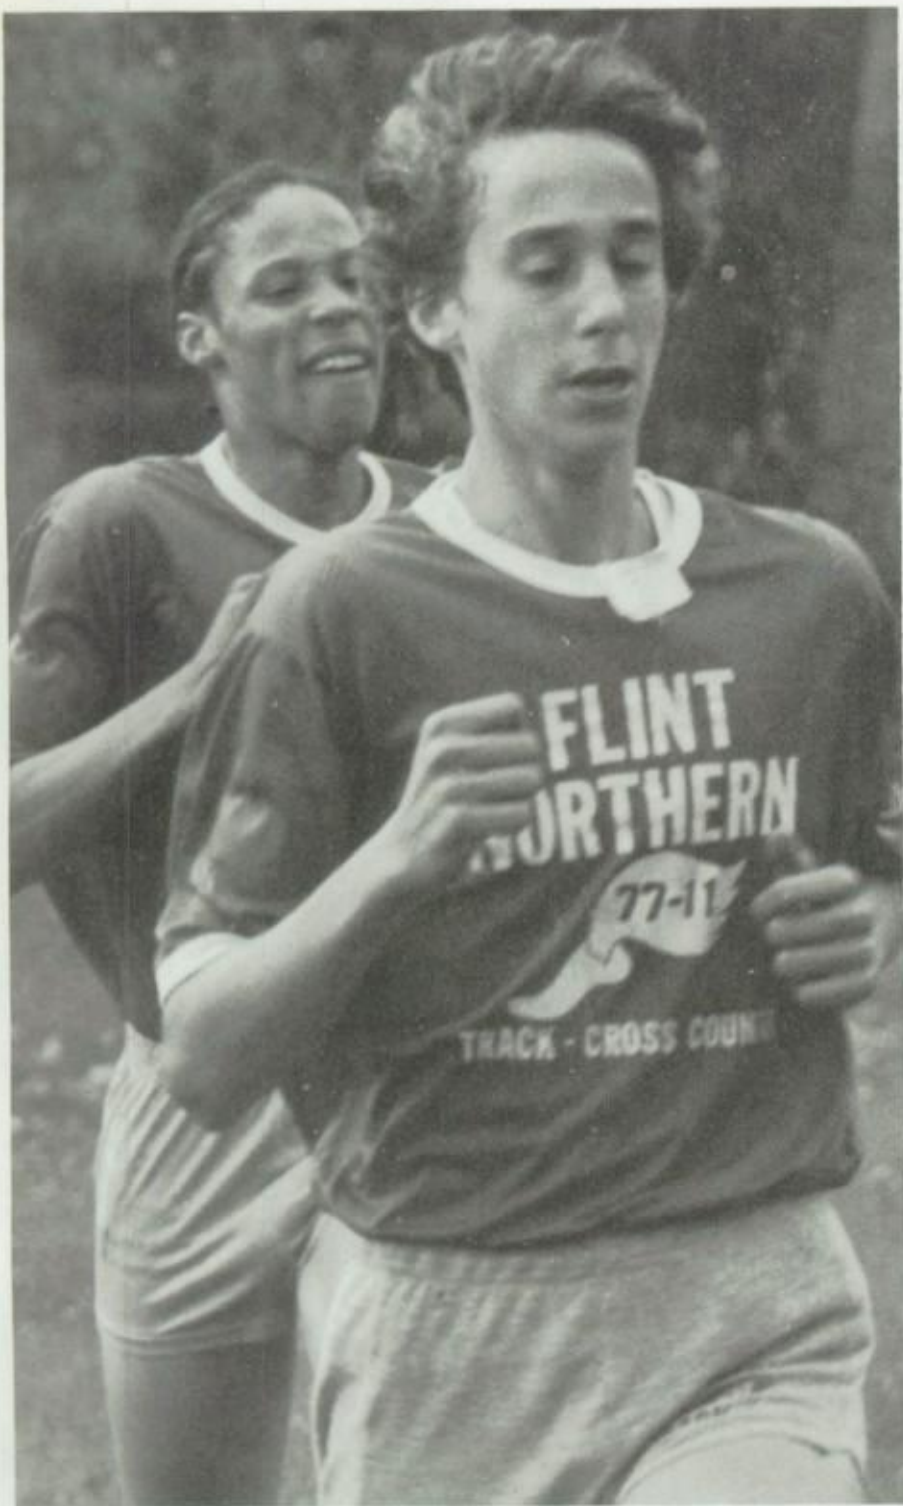

Thanks goes to Cross Country for maintaining the image of the No.1 Northern Vikings.

J. V. Cross Country Places 2nd In City

Flint Northern junior varsity cross country runners finished their 1977-78 season with a 3-1 record. Varsity cross country coach Norbert Badar was also the j.v. coach.

The schedule this year was relatively short, but very successful. They captured the 2nd place City Title and ranked no.4 in the Eisenhower Invitational.

The six runners for this year were Jeff Dent, Doug Gauthier, Michael Gavagan, Edward Hamlett, Duane Newel, and Daryl Wright, with one j.v. runner making varsity time.

These fine young men make the 1978-79 varsity season look very promising.

1. Tommy Thomas one of Northerns youngest Cross Country runners, runs for the experience but leads the race. Following him are sophomores Mike Gavagan and Doug Gauthier.

Nine Players Receive All Valley Honors

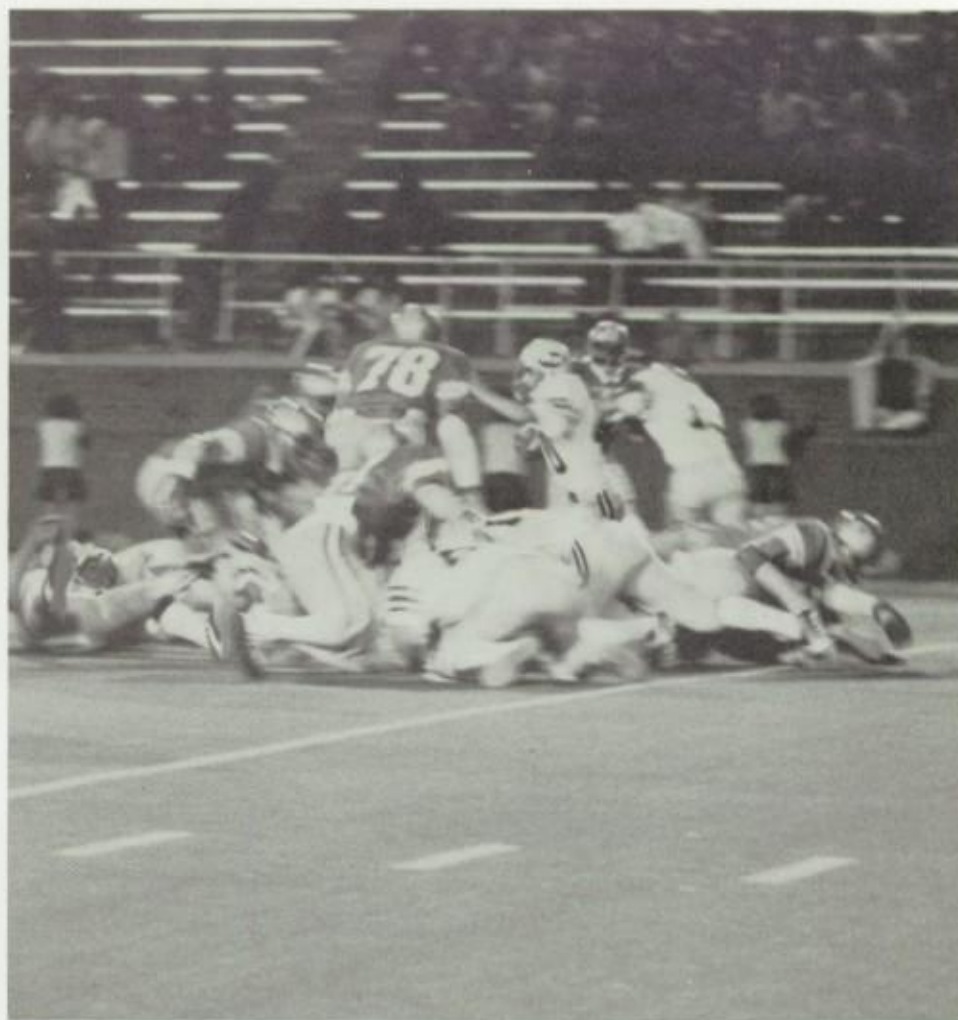

The varsity viking football team, guided by Coach Randy Johnson finished an improved season with a 4-5 record.

This year's captains were Eugene Marve, Micheal Miller, Bob Howlett, and Lynn Miller.

Out of a team of 32 players, 7 took All City-Eugene Marve, Bob Howlett, Micheal Miller, Lynn Miller, Craig Tucker, Chris Thompson and Tony Curnow. Four of these same young men also ranked All Valley-Eugene Marve, Bob Howlett, Craig Tucker and Chris Thompson. Five players received honorable mention-Steve Barnett, Tony Curnow, Fred Garrett, Jim Pendell and Lynn Miller.

Over the 50 years existence, the football team has played the traditional "Turkey Day Game" against Flint Central, but the rivalry ended in its 49th year.

There will be nine outstanding returning lettermen for next season. More power to the Varsity Football players of 1978-79 as their outlook is one that is sure to keep Flint Northern Vikings rated No.1.

J. V. Team Has Impressive Season

Coach Gordon Brown's goal at the beginning of the junior varsity football season was to "prepare the athletes for varsity competition." He feels that he accomplished his goal as he encouraged his team of 30 sophomores and 8 juniors to continually better themselves for future opposition.

The Junior Vikes had a fairly successful season as they proved their capabilities with a 4-5 record.

There are no City, Valley, and State Championship Competitions or ratings for Junior Varsity Football. They also don't have captains. No one who goes out for the team is cut since the coaches want everyone to get the training. They go through the same training as the varsity team, therefore they have some experience before they become varsity players.

The 1977-78 season was Mr. Brown's 2nd year as head coach for j.v. football. He was assisted by Mr. Dennis Gerace. Together they drilled into the minds of the Junior Vikes the pride in being the No. 1 rated school anywhere.

Viking Golfers Are City Champs

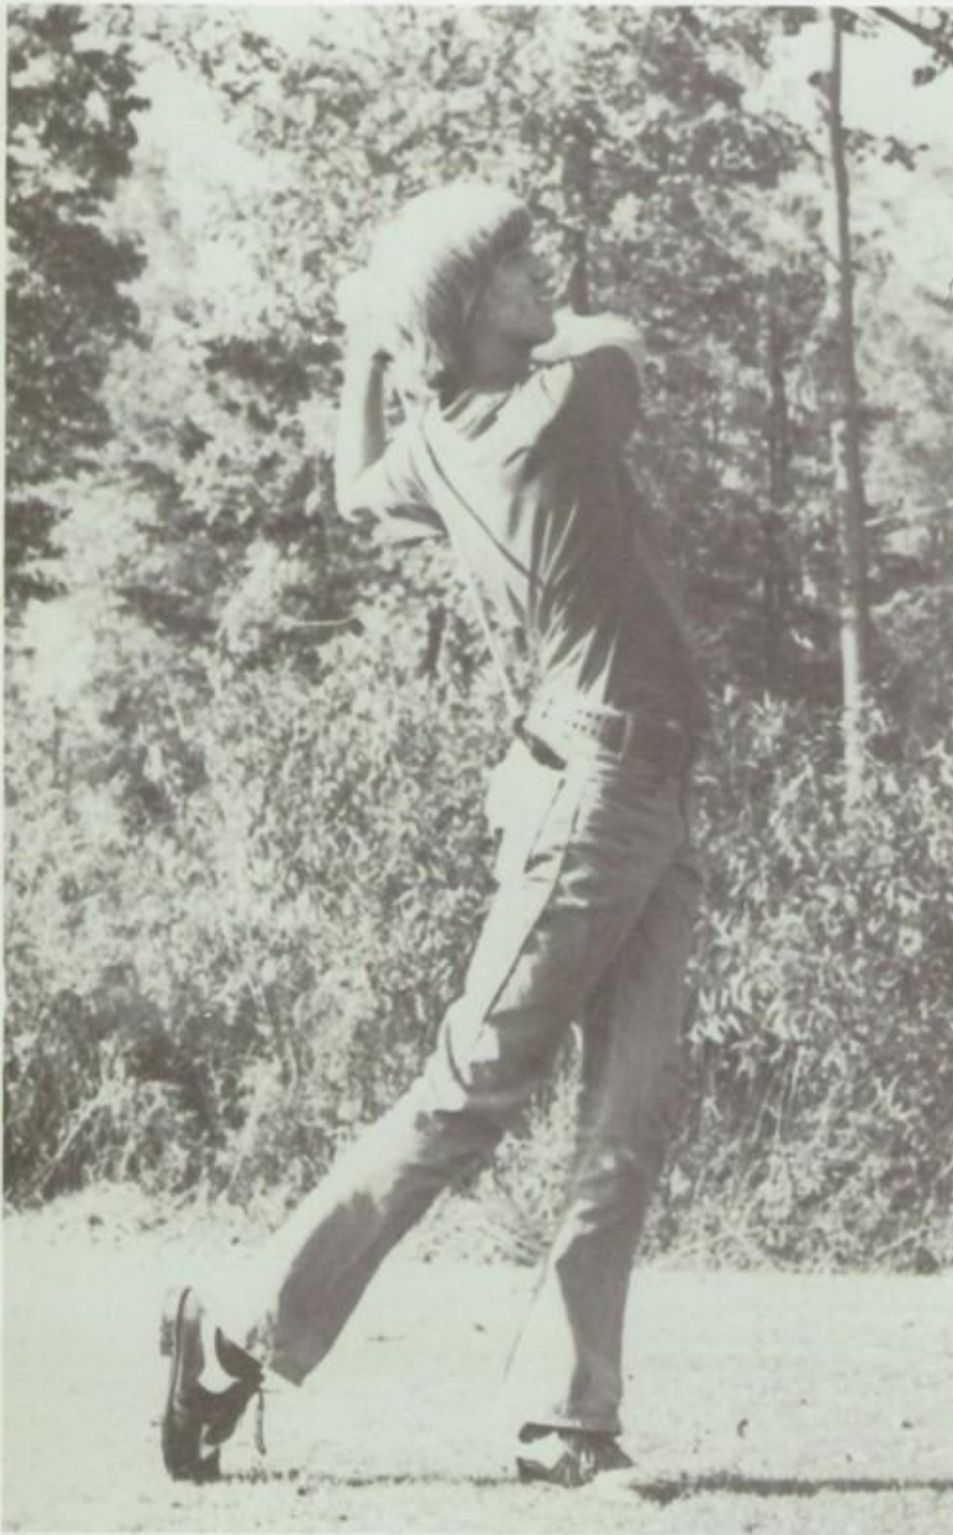

The 1977-78 Golf team had an outstanding season as they finished with a 3-0-1 record. Their aspiration at the beginning of the year was to win the Saginaw Valley Championship and they met their goal by defeating a favored Pontiac Central.

John Carlsen and Mark Taylor ranked All Valley golfers.

The team of 2 seniors and 3 juniors with Coach Jerry Fowler grasped the City Championship title for the first time since 1941. They did so by winning the first hole of a sudden-death play-off over Flint Southwestern. During this city meet Steve Southwell broke Northern's 1975 record.

First year coach Jerry Fowler is the 13th Golf coach in the 50 year history of Northern. According to Mr. Fowler the 1978-79 season looks very promising. There are 3 players returning next season. They are John and Paul Carlsen and Mark Taylor.

The Viking golfers did a fantastic job and they are to be commended for their contribution in maintaining the proud Spirit of the no. 1 Flint Northern Vikings.

J. V. Golfers Strive For The Best

Junior Varsity Golf, as such, isn't an authorized sport, as to paid coaching or a budget to carry out the program. Therefore no official schedule is played. However, as custom, the Varsity coach usually takes the job and sets up a schedule.

This season Northern had an all new team-not one had any high school experience. "To 'look to the future' I interchanged some J. V. golfers into Varsity matches to give them experience," say Mr. Fowler.

As such, the J. V. schedule was short this year. They ended with a 2-4 win-loss record. The J. V. Golfers played Southwestern twice, Northwestern twice and Ainsworth twice. They ranked no.10 in the Genesee County Junior Varsity Golf Invitation.

Varsity Golf Coach Jerry Fowler also held the responsibility of being J. V. Coach. Being that some of the young men were given the opportunity to experience playing Varsity interchangeably, the 1978-79 should be extremely promising. Coach Fowler certainly hopes so as he awaits their return for Varsity Golf next fall.

1. J. V. golfer, Robby Mc-Kenzie, shows off his "expert" style. He's forgotten one important thing though: his golf club.

Viking Skaters Have Great Future

While in the 2nd year of an expected 3-year rebuilding program, Northern's skating hockey team improved its record from the 1976-77 season. In 1977-78 they moved up 3 places in the league standings while compiling a 5-18-2 record. Flint Northern also finished 2nd in the city series.

The team was led both on and off the ice by captain Bob Wylie who was the team's point leader and also made the state's no. 1 All Star team. Bob was helped greatly by alternate captains, Jim Pendell and Dennis Canaday. Each of them, along with graduating seniors Andy Farah and Mark Tibbetts will be greatly missed.

Returning juniors Paul Racette, Bruce Hylen, Mark Taylor, Chuck Bednarshi and Ernie Salinas are expected to make up for this loss. With 2-year experienced forward Daryl Barr, Pat Crossley, Bill Piotrowski, Dennis Sauvage and Doug Basilius, along with defensemen John Cross and Rob McKenzie, and last line of defense goalie Jim Wylie, the team expects continued progress and a higher finish in the league standings.

Softball Team Displays Unity

Though the 1977 Softball Team didn't have an outstanding win-loss record, they pulled together to display their best. The team's Captains were Seniors Donna Phillips and Rosalind Williams.

Jackie Johnson won the team's "Most Valuable Player Award." Her most valuable asset was her versatility as a player-catcher, infielder and outfielder. She was also a 3rd year Varsity Player.

Joann Creamer was chosen All-Valley, 2nd team catcher and received the team's "Most Improved Player Award." She had the team's highest batting average .354 as well as the most RBI's for the team. Joann along with Tamara McKone and Lena Horne will be returning in 1978.

The 1977 school year was the 4th year for inter-scholastic softball in Flint. The Vikes tied for the City title with Central in 1976. Though they failed to take City again as they aspired, Ms. Kujala asserted that the 9 sophomores returning should be a tremendous asset for the team during the 1978 season.

Viking Swimmers Have A Good Year

Their goals were many, but one of the main ones was the individual performances improvement. Who were they? The 1977-78 Flint Northern Boys' Swim team.

With outstanding returners Scott Price, Scott Thurston, Brian Scieszka and Marty Price they managed to finish with a win-loss record of 6-6.

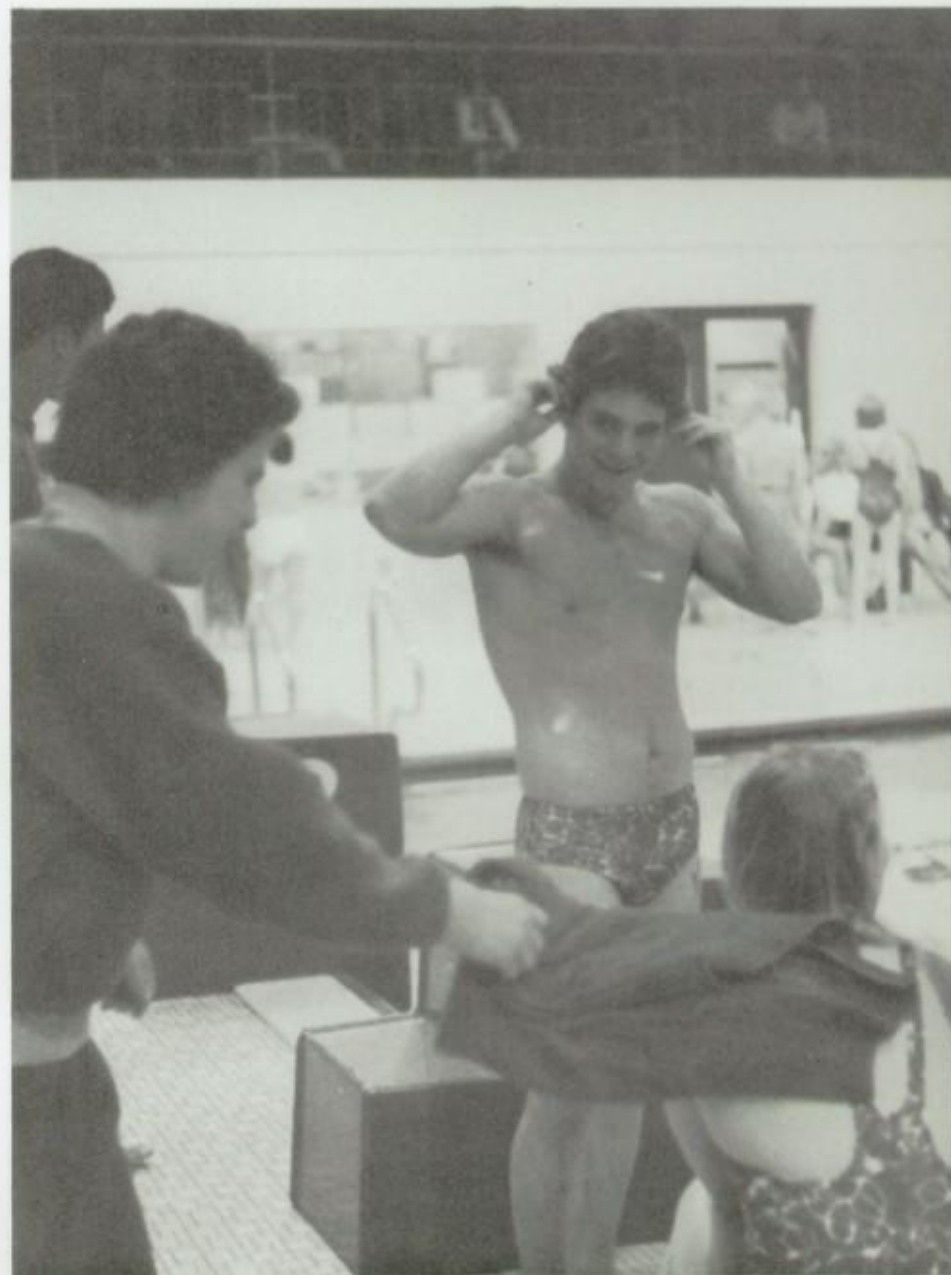

Brian Scieszka broke 2 records this season. The record time for the 200 Individual Medley now stands at 2:14.5, and the new record time for the 500 freestyle at 5:22.6.

Scott Price maintained a No. 1 ranking in Diving at the City meet through out his three years at Northern.

The coach for the 77-78 season was Mr. Scott Soth. He asserted that the 1978-79 season looks promising, with many outstanding swimmers returning. Included are Brian Scieszka swimming the 200 I.M., the 500 Free, and the 400 Free Relay, Marty Price in the 100 Fly, 100 Back, and the 200 Medley Relay, and Sue Cook swimming the 200 Free, 500 Free, and the 400 Free Relay.

Though the 1977-78 girls' swim team did not have an outstanding win-loss record they did well for a new team. Coach Tom Rodger asserted their goals to be to-present a positive competitive swimming experience for Northern girls, teach competitive swimming to new swim team members and expand and improve the girl's swim program.

Girls' swimming has been in existence here at Northern since 1975. This year's team was composed of 2 juniors and 6 sophomores, with only one senior, Kathy Mucha was a 3-year veteran.

The captain of the squad was Kathy Mucha, and the manager was junior, Kathy Kelly. Kathy Mucha was also named, "Most Valuable Swimmer", and qualified in the city along with Lori Crannie. Anne Badar was elected "Most Improved Swimmer", and was elected co-captain for 1978 with Sue Cook and Kim Wishart.

The 1978-79 season looks promising with returners, Sue Cook-freestyler and butterflyer, Lori Crannie-freestyler and back stroker, and Teresa Wallace-freestyler.

Tennis Team Takes First In Valley

The boys' tennis team that represented Northern last year finished their season with an incredible 9-5 win-loss record. They began the season with the aspiration of becoming City, Valley, and Regional Champions and moving on for participation in the State finals.

Urged by Coach Randy Thompson, they placed 1st in the Valley Championship. They also placed 2nd in the City tournament and 5th in the Regionals.

Outstanding Scott Thurston and Marty Price were the only returning lettermen and they ranked no. 1 doubles team. They returned in 1978 to battle it out for the number 1 or 2 singles spots.

Mr. Thompson is the 6th coach for boys' tennis in Northern's history. He seems fairly optimistic as he foresees the outcome of the 78-79 season. He commented that it would be a rebuilding year. But he's very convinced that they have a good chance of winning the Valley West Championship. Congratulations and thanks to the Boy's Tennis team for another no.1 rank.

J. V. Tennis Players Prepare For '78.

1. It could be game, but Matt Custach keeps his cool as he waits for the ball.

The 1977 Junior Varsity Boys' Tennis team had a super season with a swinging good record of 5-2-1.

The main goal Coach Randy Thompson held for the team was to teach them the fundamental skills of tennis as well as tennis strategy. Also, this gave the J.V. players competitive court experience. With several good practices and matches with opposing J.V. teams, they reached their goal.

The team each year, as in 1978, goes through a rebuilding process preparing the boys' for Varsity competition. The coach starts out with a fresh new team hoping to improve with each match.

Coach Thompson indicated that everybody improved his game over the spring and summer months.

Most of the guys on the team were elevated to Varsity level for the spring season of 1978. Leading was Bruce Hylan, Scott Price, and Rob McKenzie.

As the Viking ship sailed on through its 50th anniversary year these boys helped promote the image of the #1 Vikings!

Northern's Girls' Tennis team really swung into an outstanding season this year. They ended with a 7-6 win-loss record. The female netters, guided by Coach Randy Thompson, started the year with 3 goals in view; 1) to be City Champions, 2) to be Valley Champions, and 3) to finish 1st or 2nd in the regionals, thus advancing to the State finals. They had tremendous success as they progressed by becoming City Champions, placing 2nd in the Saginaw Valley, and taking 4th place in the regionals.

No.2 singles, Linda Mitchell and no.4 singles, Jacquie Gorton were city flight winners, and all 3 doubles teams also ranked All City. The no.3 doubles team also made it to the regional tournament.

Coach Randy Thompson is the first girl's tennis coach for Northern. It was instituted as a competitive sport in 1975.

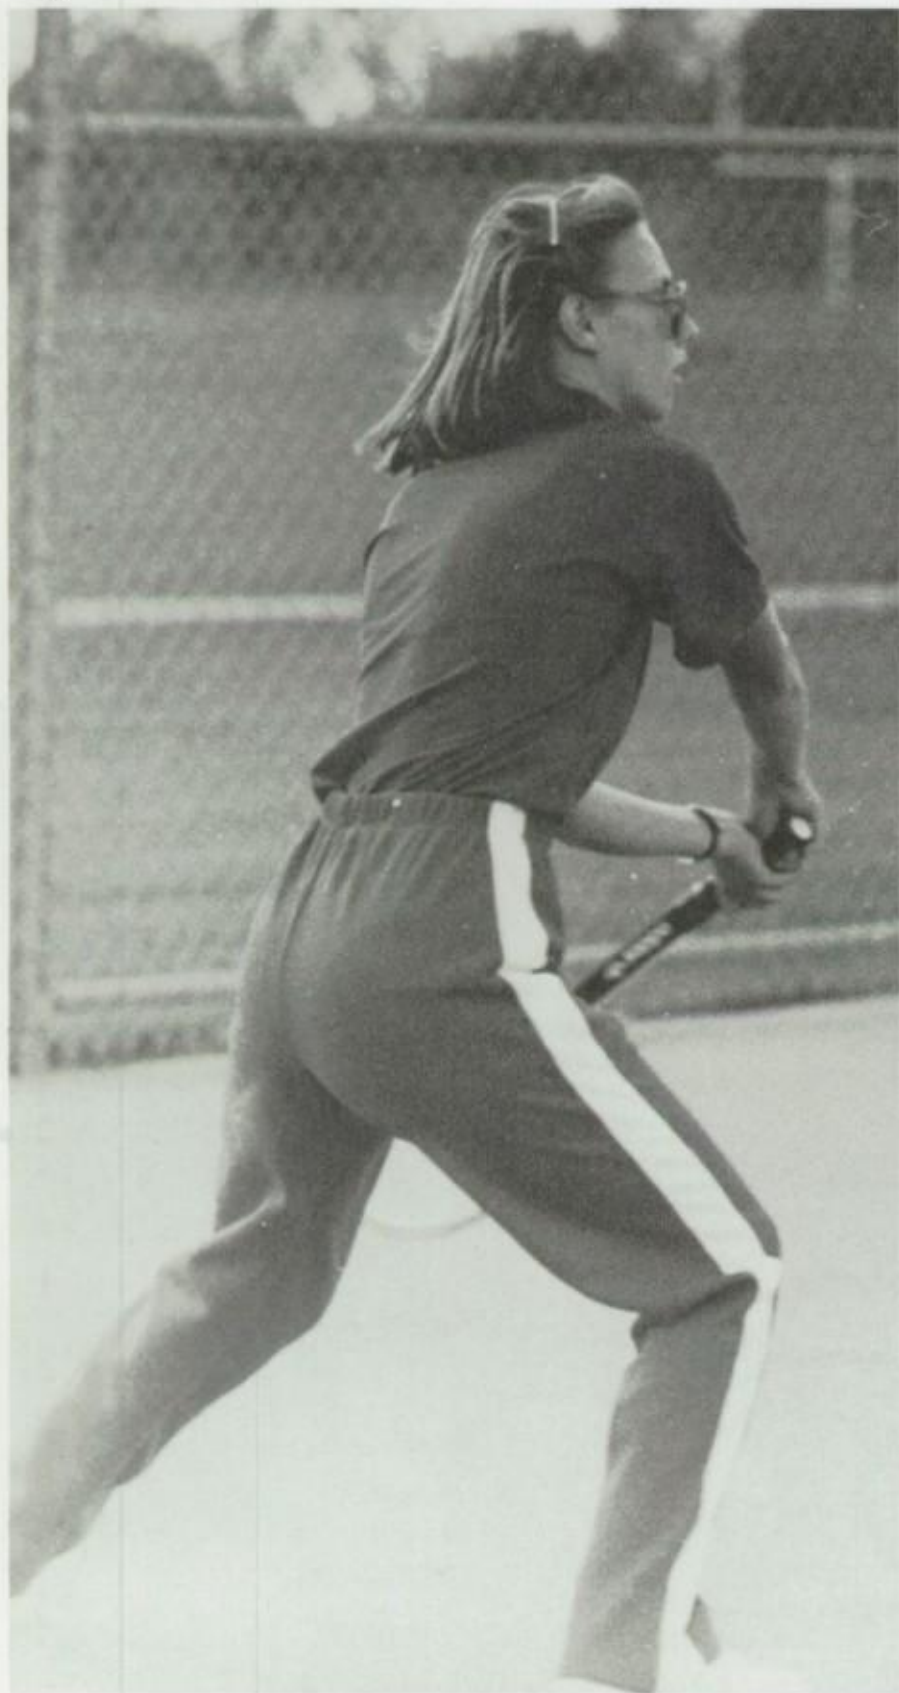

Of the 3 seniors, 3 juniors, and 6 sophomores, Coach Thompson hopefully awaits the return of 9 of the 12 for the 1978-79 season. Congratulations Girls' Tennis for giving the Vikings another no.1 rating.

Boys' Track Team Has Record Making Season

Congratulations are in order for the 1977 boys' track team who had an overwhelming season. Head Coach Norb Badar and assistant Gordon Brown prompted these fine young men to be the captivators of the City Title.

They were led by one of the fastest runners in the State of Michigan, Michael Miller, who has been breaking records since his days in junior high. His most astonishing record this season was for the 440 yard run with a new record time of 48.0, also taking a first in the 220 yard dash.

Other Vikings who rated no.1 in the City Championship fight were Chris Thompson -Shot Put, Donald Hart-High Jump, Dan Fowler-2 mile run, and the groups of Mike Miller, Dan Green, James Bennett, and Herb McGowan who took first in the 880 relay; and Dan Bingham, Randy Anderson, James Bennett and Dan Green who took first in the 440 yard relay. Northern finished in 1st place with an overall 85-1/3 points.

The 1978 season is sure to be a success, as it will have many returning men.

Track Team Proves It's Fun To Run

Northern's Girl's Track Team for 1977 had a fairly good season as Coach Scott Soth led in urging them to keep the pace.

The team, whose slogan was "It's fun to run!" were involved in running various yard and relay events, jumping hurdles, and throwing the shot puts and discus.

Coach Soth began the season with 3 goals in mind. 1) to improve the 1977 records, 2) to have everyone return and improve their times and 3) to get all girls out that could do well and help the team.

Several outstanding girls returned from the 1976 season. They were Kay Wigfall, Evelyn Johnson, Sherri Bryant, Lynn Brown, Lisa Ivory, Shari Haywood, and Doris Coles. The team was composed of 11 juniors and 10 sophomores with Saudie Young taking All City.

Mr. Soth, who was the 1977 coach is giving up his position to Mr. Sigmour and Mr. Dedrick. They will be coaching the 1978 team which has the promising outlook of keeping up the no.1 Viking trend.

1. Margaret Hemmert gets in her position to test her skill in throwing the shot put.

They set their goals at the peak of the Viking "V" as they determined to culminate their 1977-78 season with city, valley, and state championship titles and the ultimate of any team's desires—an undefeated season. They were none other than the Flint Northern Girls' varsity volleyball squad.

With outstanding players Joann Creamer, Jencie Sweezer, Teresa Anthony, Natalie Johnson, Carman Sullivan and Hope Harrison returning from the 1976-77 squad, they closed out their '78 season in no. Viking style.

Mrs. Margaret Johnson was the coach of this year's team. She stated that the outlook for Volleyball 78-79 at Northern looks promising with Tereasa Anthony, Pamela and Paula McGee and Lisa Freeman returning to the court.

The team, which was comprised of 8 seniors, 1 junior and sophomores displayed the action of females in sports as they helped celebrate Northern's 50-year anniversary by keeping their banner reading the Viking rank of "no. 1".

J. V. Team Accomplishes Its Goals

Northern's junior varsity volleyball squad played well as they finished their season with a 16-3 win-loss record.

Their goals were to win the city and valley championship titles, to win in all their games and to improve individually as a person and an athlete every day.

The team of 3 juniors and 10 sophomores displayed tremendous team cooperation as they strove to accomplish their goals.

The co-captains for the 1977-78 squad were Evelyn Hamlett and Ann Turri. They led the team in grasping the 2nd place city championship title, and the coveted 1st place Saginaw Valley West Division title. The other starters were Tangelia Woodson, Jacquie Gorton, Joya Hall and Sarah Knighten.

This year's coach was Mr. Randy Johnson. Although he wishes to present team on to the Varsity level for the 1978-79 season, he still feels that the Junior Varsity squad for next year looks promising.

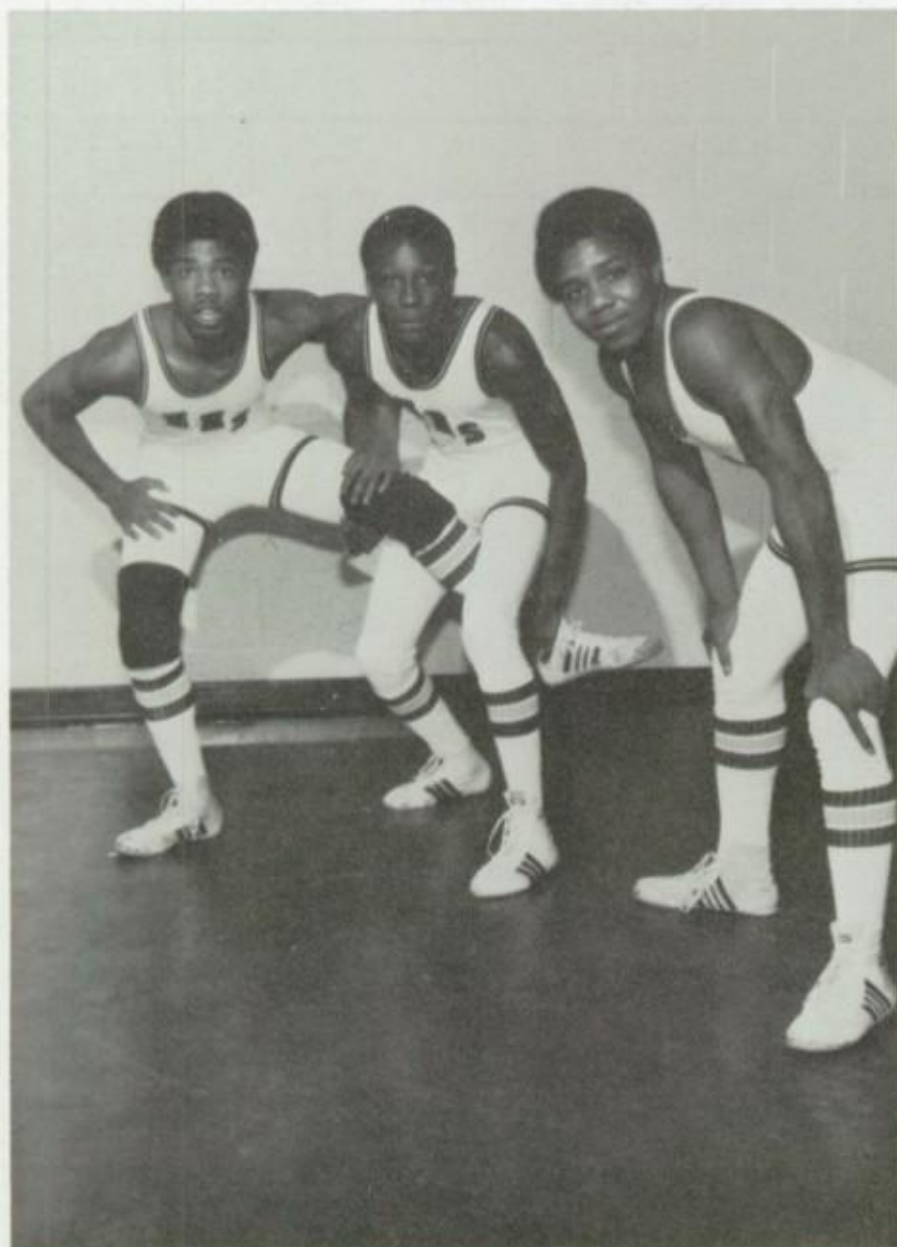

The J.V. volleyball team played its part in keeping up with the No. 1 rank as Northern celebrated its 50-year anniversary.

Wrestlers Put Forth Best Effort

The Varsity Viking Wrestlers held 3 goals in view as they commenced the 1977-78 season. These were 1) to have a full team at every weight class, 2) to place reasonably well in the tournaments, and 3) to develop a group of sophomores and juniors for next year's team.

The squad, which consisted of 5 seniors, 5 juniors and 6 sophomores was felt to have accomplished their goal as they placed no. 1 in the Northern first year invitational and 3rd in the Northwest Invitational.

The co-captains for this year were seniors Barry Greene and Daryl Dilworth. Greene and Greg Veal ranked both all city and all Valley wrestlers.

The coach for this year's squad was Mr. Francis Bentley. He advised and worked with the boys in training them for the wrestling competitions. He feels that the 1978-79 season should also be a success.

As Northern celebrated its 50th anniversary, the Varsity wrestler did their share in keeping up with the trend of the Vikings, that is being no. 1!

Wrestlers Wrap Up Their Opponents

Northern's Junior Varsity Wrestlers, being a young inexperienced team set their goals at improving every time they wrestled trying at as many matches as possible for the sake of experience. The purpose of the J.V. wrestling team was to be a stepping stone for the Varsity team.

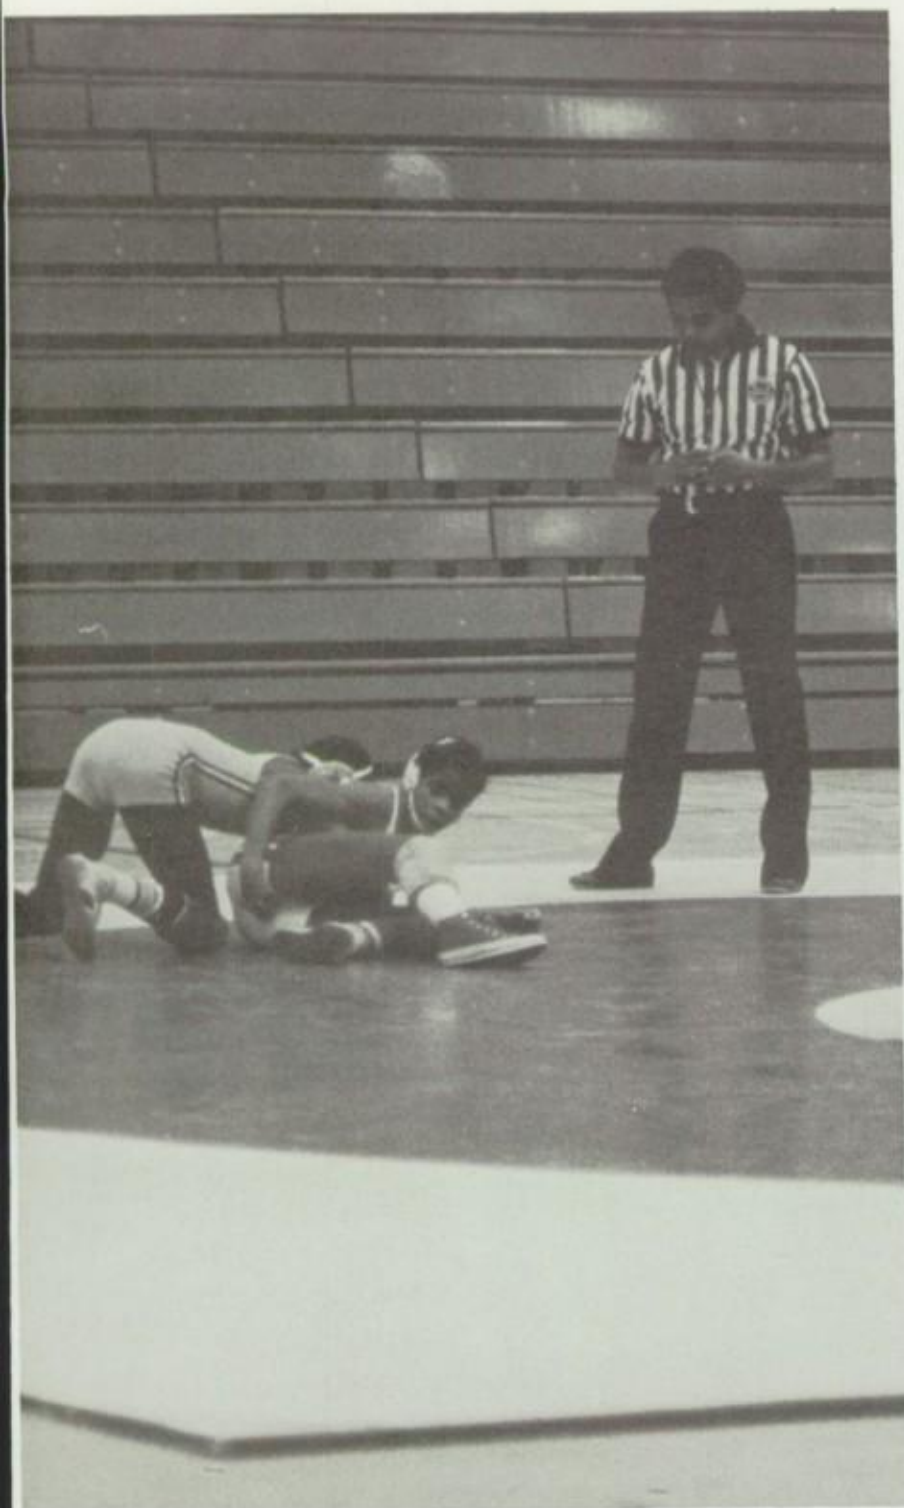

The record for these 1977-78 wrestlers was 3-3, with a tremendous 58-0 victory over Saginaw. In the team tournaments they also did very well taking a 1st in the sophomore invitational, a 2nd in the Scarlet and Gray invitational and 6th in the Montrose invitational.

The coach of this very fine J.V. squad was Mr. George Deidrich. He aided the boys in training and counseling them for the wrestling matches.

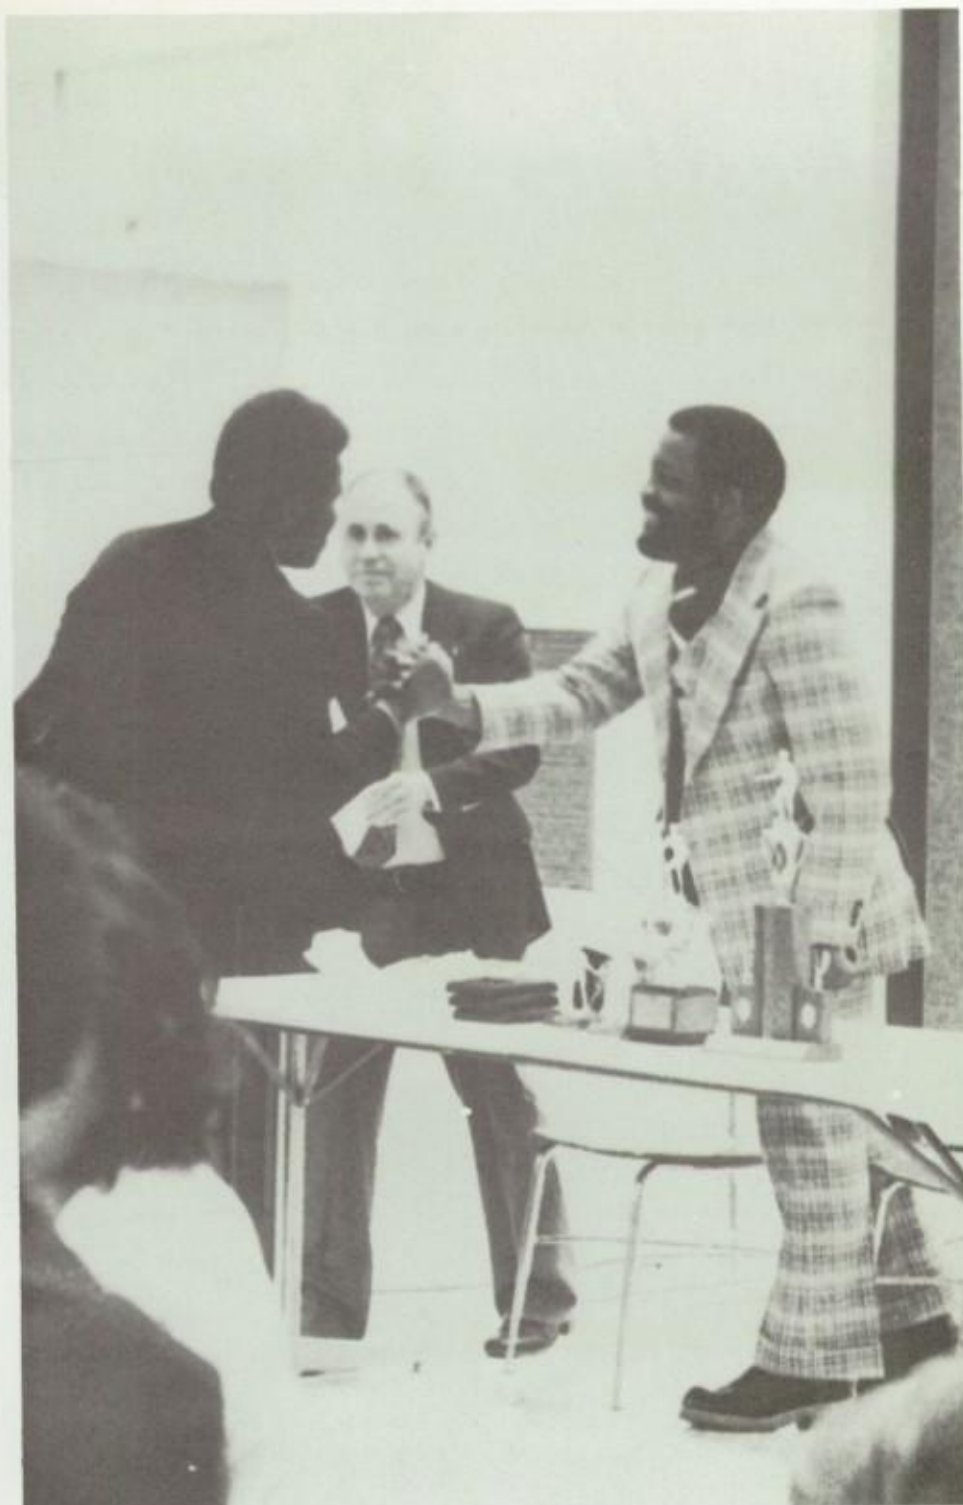

This struggling Junior Varsity Viking team helped uphold the no. 1 Viking status. As the Viking ship rolls on these young men will perhaps forever remember their Junior Varsity wrestling experiences in the 50th anniversary year of Flint Northern Community High School.

1. Rod Howard uses all force available to him to keep his Northwestern opponent from pinning him down on the mat.

The senior class theme described it all, "These precious moments." For the past 3 years they worked to see June 16, 1978 when the end of the beginning would be converted to the commencing of another phase of life.

Their last year in high school was as exciting as could be expected. They hosted a Gong Show, based on the network's production. This and various sales during the 77-78 school year helped provide the necessary funds for the senior activities.

The activities included a dinner on May 12, the prom on June 2, Honors Convocation on June 8, the annual city-wide Baccalaureate June 11, and the Commencement Exercises held June 16.

The seniors were polled on their choices and suggestions for class colors, theme, motto, and song. The results were Colors-Red and Gold, Theme-These Precious Moments, Song-Everything Must Change, and motto-"One Step at a Time, But Always Forward."

The sponsors for this 50th class were Miss Dorothy Stradford and Mr. William McLean.

Activities

Marching Band Helps Inspire Vikings

Mr. Ronald Shoup accomplished the goal he set out with as the 1977-78 Flint Northern bands went into action. He aspired to give the students a well rounded education in music. There were 3 bands at NHS this year-Marching Band, Ensemble and Jazz.

The bands were prompted by Mr. Shoup in one of their biggest concerts ever, the prominent Maynard Ferguson and his band.

Northern's marching band was considered to be one of the best in the state of Michigan. They played for all home football games, pep rallies and marching band competitions. In the last 3 years, they have not come home with anything less than 3rd place ratings.

The Wind Ensemble played 4 concerts, participated in the band festival and played for graduation. The Wind Ensemble is also considered one of the best in the area.

Jazz Ensemble played 5 concerts. They also played for civic events and other school activities.

Here are 3 more reasons why students enjoyed the 50-year Viking voyage.

1. Flag girl Margaret Lechota helps lead the Band Marching in their half time show
2. Drum Major Efreme Channel leads the Marching Band in the traditional pre-game song, The Star Spangled Banner.

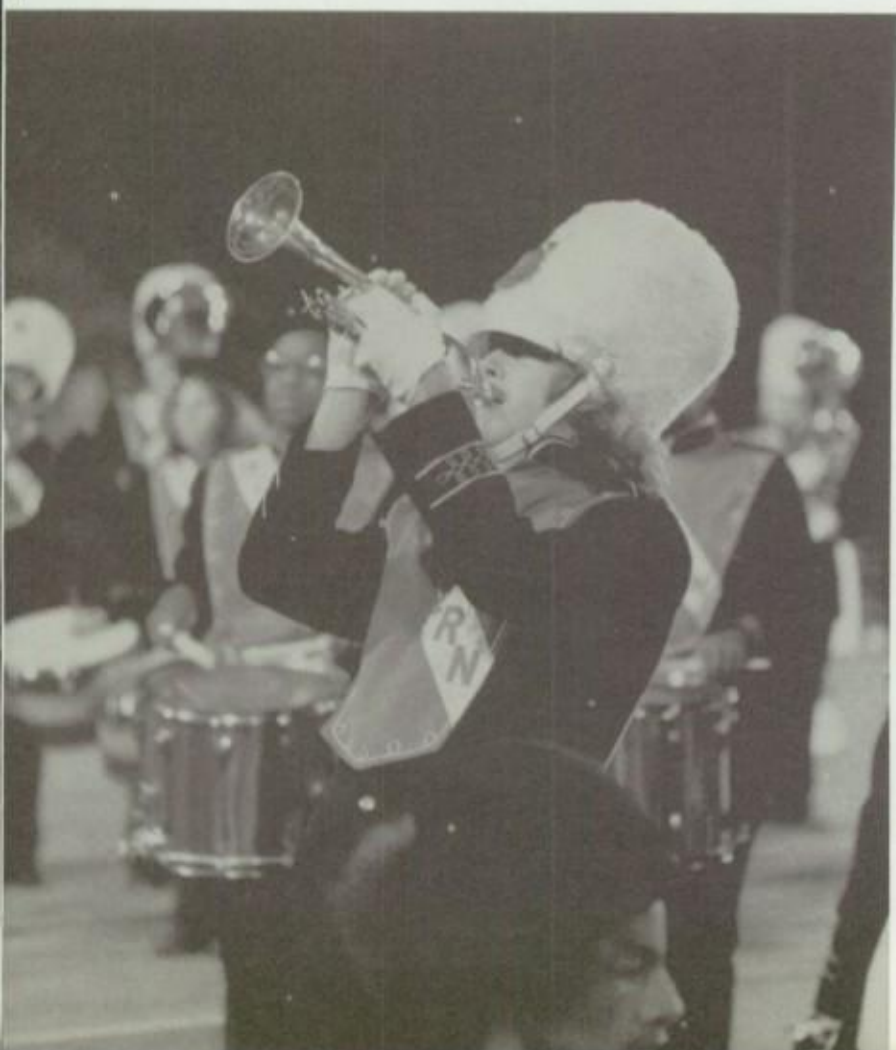

1.

2.

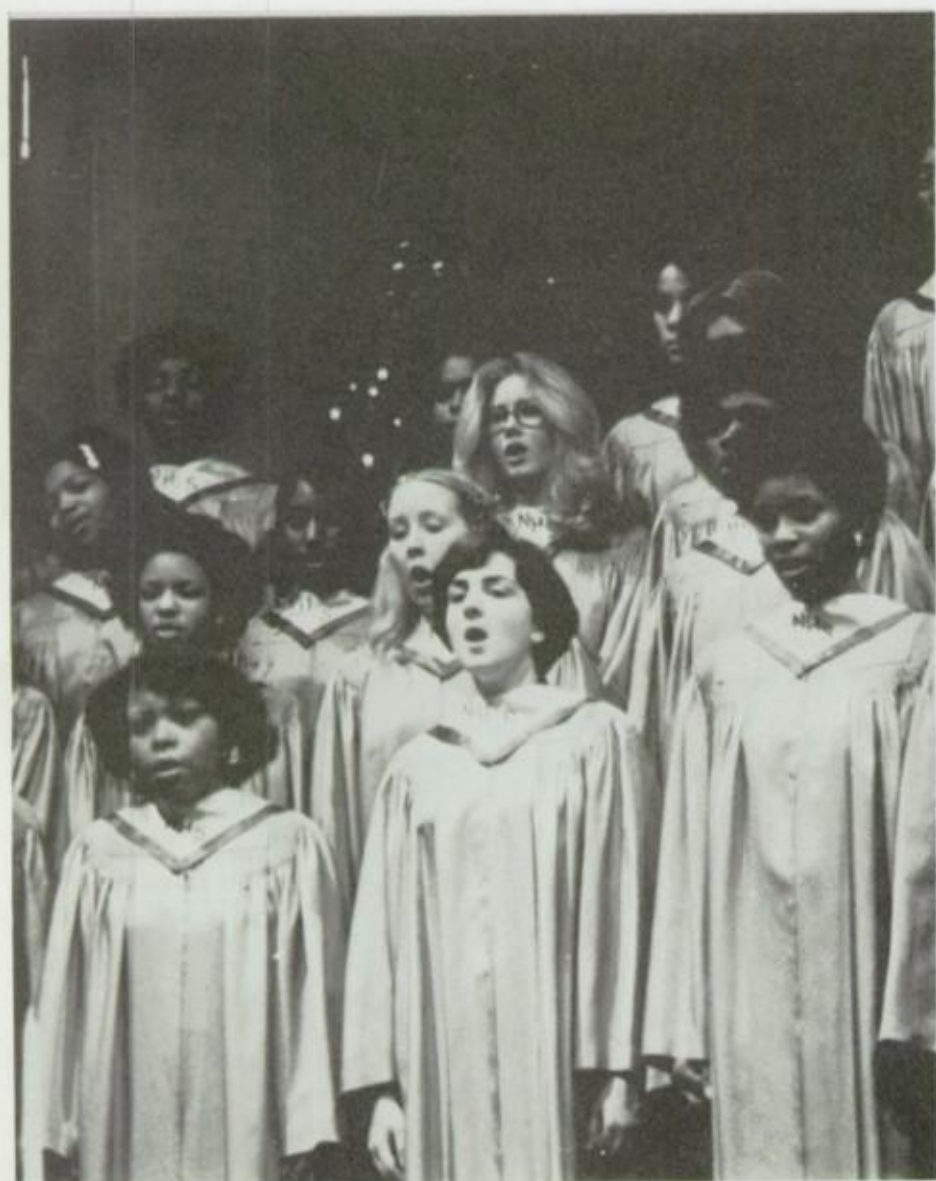

1.

2. Mickey Forde puts his spare time to good use, practicing his trumpet solo.

1. Yvette Mattisom and Vickie Branch wait patiently for their entrance cue.
2. Choir members sing in harmony as they perform at a recent holiday fest.
3. Starlin Hamilton concentrates seriously as he waits for his cue to begin playing for the choir.

Choir Voices Ring Throughout The Year

Mr. Helmut Petrich endeavored to teach the 1977-78 choir and ensemble members the joy and varied types of musical culture.

The choir began their season with the aspirations of becoming as proficient as possible and culminating in their 11th consecutive superior rating at the annual festival. They had several fund raisers this past year, selling calendars, jewelry and household cleaners.

The officers were president-Regina Pitts, vice-president-Yvette Matison, secretary-Francine Donan, historian-Margaret Hemmert and librarians-Dale Williams and Sandra Roach.

The elite of the choir were invited to audition for Northern's ensemble. Its purpose was to use those students most proficient in music in special events. Their goal was but one-performance excellence.

There has been a choir around since the school began 50 years ago. The ensemble was started by Mr. Petrich 10 years ago. These groups helped provide entertainment for the "Voyages of the Vikings."

1. The Ensemble concentrates extra hard to hit a proper note. The members are front row (left to right), Linda Koop and Regina Pitts. Second row are Jeff Woodard and Stanley Jones. Standing is Kevin Darrough.

2. Mr. Petrich helps to balance the harmony as he joins Keith Peterson (front) and Roger Savage (rear) in a song.

Cheerleaders Exert Energy, Viking Spirit

"Red and gray all the way," yelled the no. 1 cheerleaders in the city of Flint. Where were they from? Northern of course!

Coached by Ms. Doris Price, they practiced hour after hour each week to earn their respected place among the best in the nation. The Varsity cheerleaders were ranked no. 1 in the city, no. 5 in the state, and the 8th best squad in the nation. The Jr. Varsity squad held the no. 1 title in the city, no. 7 in the state and no. 7 in the nation.

The jr. varsity members, with co-captains Rogena Ridgell and Gayle Walls put on their new cheerleading outfits and cheered at the jr. varsity athletic events.

The varsity squad dressed in their new uniforms to turn on the fans at the varsity events. Renita Philips and Ramada Younger were the spirited co-captains for Varsity 1977-78. Senior Sandra Marshall was elected, "Most Valuable" and Evelyn Badgett was the only 3-year member.

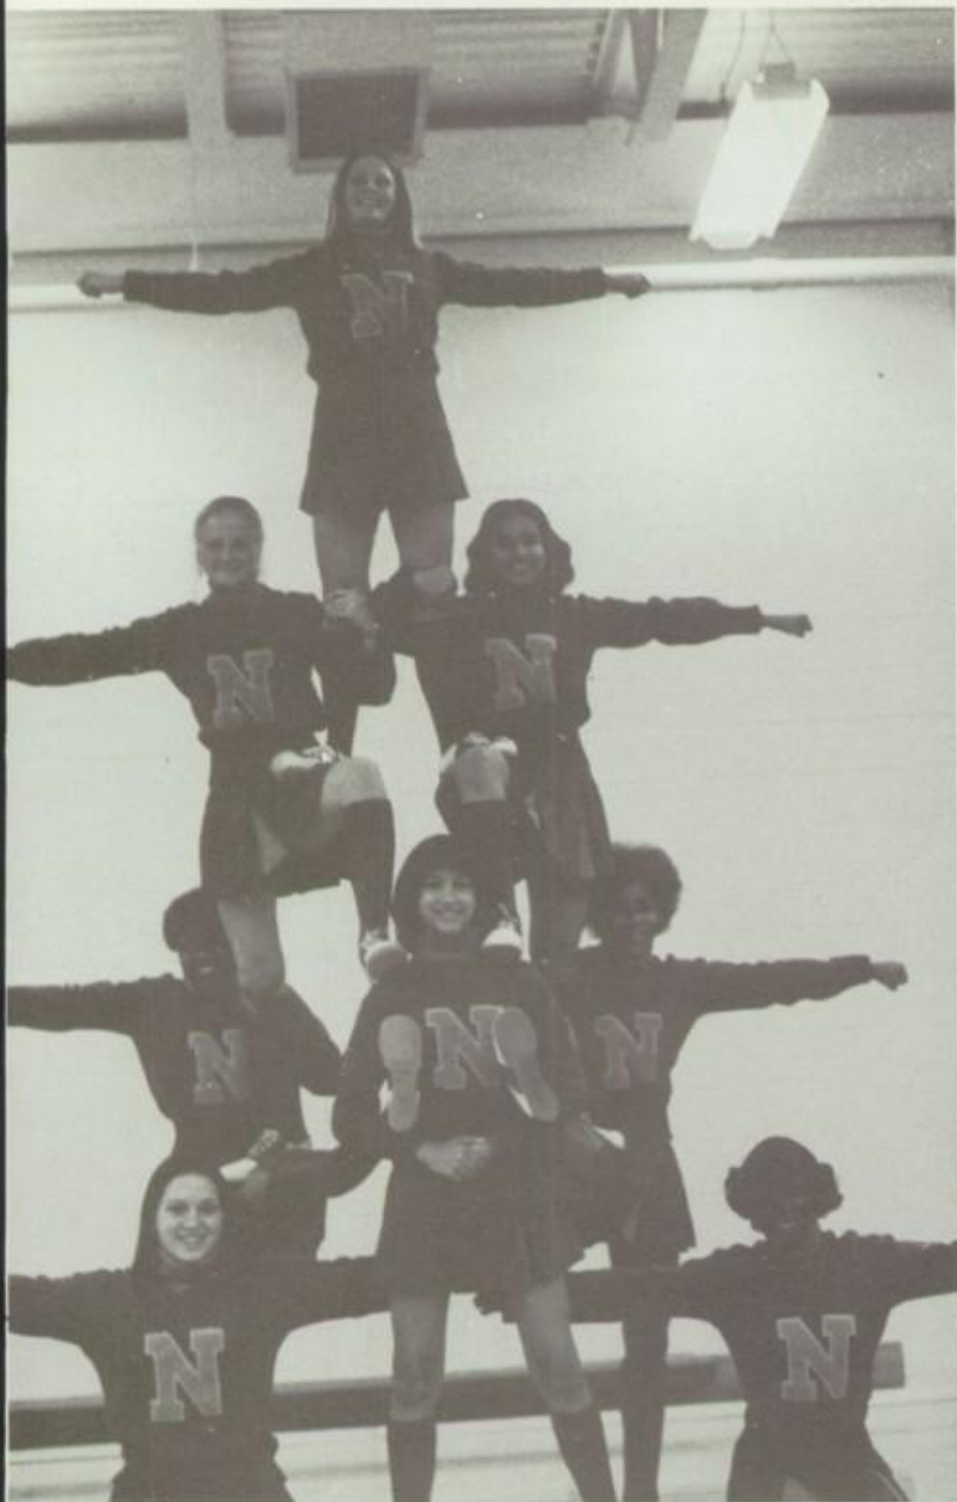

As the Viking ship rolled on, these girls helped promote the No. 1 Viking status by prompting the fans to be proud of their No. 1 teams.

1. J.V. Cheerleaders show off their talent by doing one of their mounts. Starting from the top is Pam Lane. Second row is Anita Galloway (left) and Rogena Ridgell (right). Bottom row (left to right) is Allyson Garrett, Shelly Washington and Gail Walls.

2. J.V. and Varsity Cheerleaders show they have spirit by leading the crowd in a lively cheer at a pep assembly.

Viking Spirit Displayed In Many Ways

1. (Left to Right) Sonya Willoughby, Debbie Robertson, Lela Hudson, Stephanie Robb, and Lewisteen Andrews display their talents in dancing.
2. The Vikesettes display one of the dance routines they used during the year.

Flint Northern Vikesettes were the dancers seen performing at the athletic events. They were out promoting school spirit.

They were the first school group of its kind in the Flint area. The other Flint schools often came to Northern to see what these agile ladies were up to.

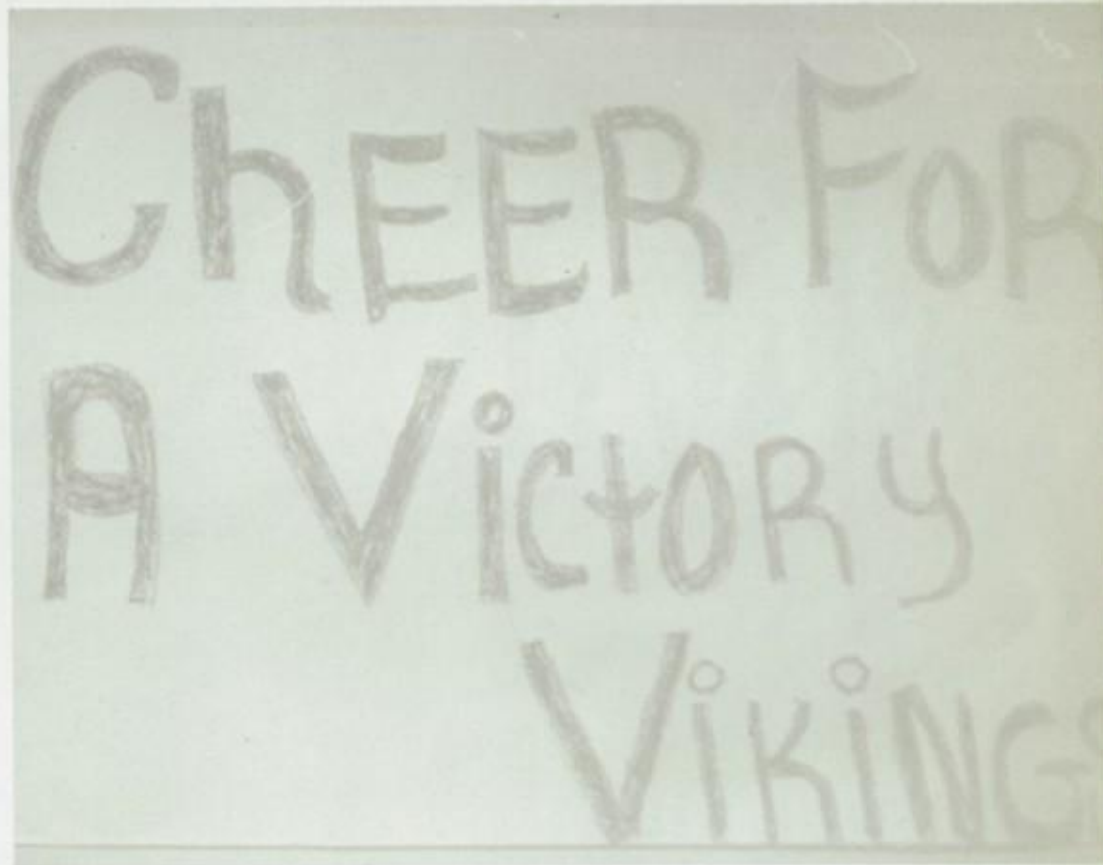

The sponsor for the 1977-78 Vikesettes Mrs. Leola Sanders, was in her first year as such, but worked with captain Lewisteen (Tina) Andrews in making it successful.

The 3-year old Viking Pep club began the year with these goals in view-to have pep assemblies for many sports in the building, to decorate for the football and basketball banquets and to make posters to display Viking pride and confidence in their teams' abilities in all sports.

The sponsor for this year's Pep Club was Mrs. Carolyn Jackson. She worked with the club in their efforts for spirit.

Both the Vikesettes and the Pep club helped liven up entertainment for the Vikings. These clubs were an asset for 50th Anniversary year.

1. Top Row (Left to Right)- Mrs. Carolyn Jackson, Lisa Collins, Liz Morris, Debra Jones, Dierdra Turner, Donna Mitchell, Janet Bonds. Bottom Row- Jackie Cathrane, LeGretta Riley, Ynette Gayden, Tanya Turner, Vickie Brown, Tracy Brisco.
2. The Pep Club shows strength and pride through the showing of the mighty Viking Warrior.
3. Pep Club displays one of the many signs made throughout the year to promote "Viking Spirit"

Student Council Is Hard At Work

1. Four of the student council members wait around until the meeting starts. Left to right Kim Simpson, Mona Stiff, Aleta Echols and Sarina Blackmon.
2. All the members of the Northern student council get ready for the meeting to begin.

The purpose of the student government is to better student-faculty relations. This is what Northern's student government purposed to keep in mind as they strove to represent the needs of the student body.

Kimberly Simpson was aided by vice-president Vanessa Nelson, secretary Mona Stiff and treasurer Aleta Echols as she attempted to execute the responsibilities of the student body president.

The students in the government were elected by the student body. The requirements of the members included commitments to the student council and cooperation in the organization's work and efforts.

Mr. Frank Miller was the sponsor for the 1977-78 governmental body. His duty was to assist and advise the student organization.

The student governmental organization has been in existence at Northern since the school opened back in 1929. Each year new officers and representatives are elected to act as mediators between the student body and the staff. They have been the voice of the students throughout the 50-year history.

Foreign Language Clubs Sponsor Activities

Their were 3 Foreign Language Clubs at Northern this year. They were French, German and Spanish.

The French Club was in its 14th year at N.H.S. The sponsor, Mrs. Odessa Jackson, was also its founder back in 1963. They purposed to promote good relationships among students, parents and teachers. They raised funds to help students travel to France or another French-speaking country.

Mr. Keith Johnston was the German club sponsor. He assisted them in fulfilling their goals of having a luncheon, their annual banquet at Frankenmuth and cultural projects within the German classes.

Spanish club sought to improve their abilities in spoken Spanish and to increase an appreciation of Spanish culture. With the aid of their sponsor, Mrs. Delores Zale, they sold caramel apples in the fall to raise money for a taco party and formal dinner held at the end of the 1977-78 school year.

These clubs and their sponsors helped make the Viking voyage pleasurable expierence this year.

1. Janelle Lambert and Aleta Echols help themselves to many of the Spanish meals served at the Spanish Club Christmas Dinner.

2. The attention of the Spanish club members seem to be on something important . . . perhaps a pinata.

3. Adrian Towns and Joe Kontyko open their books to prepare for another day of German vocabulary in Mr. Johnston's German 1 class.

Student Actively Involved With BOEC

1. Members of Northern's BOEC, back row: president-Michelle Williams, vice-president Bonita LeFear, Kathy Miller, Debra Kemp. second row: Laura McGonigal, Jill Sanford, Gail Watkins, Kim Tart, Yolanda Davis, front row: Stephanie Jones, Pam Lane, treasurer-Angela Thames, Iwana Burns. Missing from picture-Debbie Stacy, Mary Titus, and Janet Berezny.

2. Officers of Northern's BOEC, president-Michelle Williams and vice-president-Bonita LeFear, look over final business copy.

The Business Office Education Clubs (BOEC) is a state of Michigan high school career education organization designed for students with a career objective in office occupations. Northern's BOEC club was in its 3rd year with the 1977-78 season. It was sponsored by Ms. Mary Miller and co-sponsored by Mr. G. Perry. Northern's was the only club in the city of Flint.

Some of their main purposes were to motivate and vitalize the instruction of business education; to develop and strengthen the confidence of young people in themselves and their work; and to assist the students in refining their career objectives through realistic training.

The 1977-78 officers were, president-Michelle Williams, vice-pres.-Bonita LeFear, secretary-Gail Watkins, treasurer-Angela Thames, and parliamentarian-Jill Sanford.

Though they'd only been around for 3 years, Northern's BOEC motto, "To build skills today for tomorrow", sufficed to acknowledge their right to be remembered as a part of the crew in the 50-year voyage.

Literary Club Publishes Aurora Borealis

The Flint Northern extra-curricular activity roster included a widely varied selection of clubs and activities for student interest and participation. One of these was the Literary Club. Its purpose was to give interested students an opportunity to better their creative writing skills.

The main function of the club was meeting to learn more of literary style and criticism and praise of each other's and non-member's entries to the club for publication in the Northern Literary magazine, the *Aurora Borealis*. The only requirement for membership was to have an interest in creative writing.

The 1977-78 Literary Club gave many of the Viking staff and students a chance at writing with their fund raiser for the year-Christmas candy-grams. In these, a student or teacher could write a message to be sent to another student or teacher after which a candy cane was attached and the candy-gram in its entirety sent to the receiver.

The sponsors for the club this year were Mrs. Sally Ebmeyer and Mrs. Betty Harris.

N. H. S. Recognizes Achievements At N.H.S.

1. Members of Northern's National Honor Society. Back row (l-r): Holly Hiem-farth, Joann Creamer, Tom Saxton, Chris Thompson, and Julie McKenzie. Second row: Debbie Whitely, Lisa Ivory, Efrem Channel, Joanne Schultze, and Linda Banta. Front row: Deanna Barr, Gwen Brewer, Cathy Lambert, and Patrice Kolley.

The National Honor Society is an organization for high school students throughout the United States. To have been accepted as a member, a student must have had high academic achievement and a high degree of participation in school activities.

Flint Northern's branch of the National Honor Society for 1977-78 purposed to give service to the school and community and recognition of students' scholarship and involvement in school activities.

They sold football mums for the annual football game against Flint Central High. They also sold tote bags and class pins.

Mrs. Carole Jimm was the sponsor for this year's group. She met with them the first Tuesday of each month to discuss plans of upcoming projects.

The officers for the 1977-78 club were president-Tim Pendell, vice-president Dave DeGraaf, secretary-Joann Creamer and treasurer-Gwen Brewer.

The National Honor Society's existence at N.H.S. proved that the 50-year Viking voyage has been a success.

1. Officers for Northern's National Honor Society: Gwen Brewer, treasurer; Jim Pendall, president; and Joann Creamer, secretary. Missing is Dave DeGraaf, vice-president.

The North Wind Strives For Perfection

The 1977-78 Newspaper staff worked hard to produce a monthly copy of Northern's newspaper, "The North Wind." The students aimed to produce good papers appealing to student interest, in addition to executing the best journalistic style.

The reporters gathered the latest news and wrote the stories. Then the edited stories were given headlines and sent to the copy editors. From there they advanced to the layout editors. The newspaper carried ads solicited and designed by the students. The Vikes also had their own photographers who shot, developed and printed the photos.

The officers for the North Wind were
Editor-in-chief, Dan Ingram; Editor Kim Dailey,
Assn't Editors, Lisa Ivory and Lynn Austin,
copy Editors: Kim Carpenter and Patrice Kelly
Headline Editor, Kim Dailey

Layout Editors, Jerry Easterwood and Patrice Kelly.

Advisor Dorothy Stradford met daily with the staff aiding them in their work.

1. Kim Dailey, headline editor, explains how to set copy for The North Wind to Patrice Kelley and Kim Carpenter.

2. Quill and Scroll, an honorary journalistic society had two members, Dan Ingram, editor of The North Wind and Debbie Wilson, editor of the Noroscope.

3. John Fontana, the advertising manager, has a talk with Lynn Austin and Sandy Dale during one of their few breaks.

Wrestlerettes; Asset To School Spirit

The Wrestlerettes enjoyed their first year as a club at Northern during the 77-78 wrestling season. The members are (from left to right) bottom row: Vicky Brown, Stephanie Jones, Donita Potler and Hazel Johnson. Second row: Donelda Evans, Lavella Sylom, Tantie Williams and Susan Van Dusan. The sponsors this year were Ms. Jardy and Ms. Sellinger.

The Flint Northern Viking Wrestlerettes was a new group at Northern this year. They were the girls out prompting and rooting the Wrestling squad on to victory. Their initial goal for the 1977-78 school year was to organize a group of interested young ladies to start the club. Their purpose was to support the wrestling team by helping to stimulate more student interest in it. The members of the club were required to be responsible young ladies, with at least a grade average of a "C", and also have an interest in wrestling as a sport.

Their main project was the organization of the club and preparing a banquet for the wrestlers and coaches during the Northern Invitational Wrestling Meet.

Their sponsors were Ms. Jeannie Sellinger and Ms. Scottie Jardy, who assisted in the organizing of this new squad.

As the Viking ship rolls on it's landing in the 50th anniversary year will proudly display the founding of another club-the Flint Northern Viking Wrestlerettes.

Skiers Slide Thru Another Year Of Fun

The Ski Club at Northern really drew a lot of attention from the students. They began the year in hopes of raising money to go on ski trips. They wanted a chance to ski at reduced costs. Thus the bake and candy sales broke forth!

The club met every Tuesday night at Mt. Holly in Holly, Michigan to ski. They also had two very exciting projects. On the weekend of January 13-15 they could be found in the Boyne area staying at Camp Sea-Gull. February 17-19 they headed for Nub's Nob for their 2nd weekend ski trip of the 1977-78 season.

The Ski Club has been around at Northern for 12 years under the advisory of Mr. Gordon Brown. The President of this year's club was Scott Thurston and vice-President was Anna Mynsburg.

Among the many activities and clubs on the roster in the Viking ship, the Ski Club was one of the most enjoyed. It was one of the reasons the students at Northern have enjoyed their voyage aboard the Viking ship.

2. The scenery at Boyne Highland was great as the members of the Ski Club found on their weekend trip.

Juniors See Need For Achievement

The 1977-78 junior class at Flint Northern were busy this year after spending last year familiarizing themselves with high school procedures. The junior class for any high school student is one full of many decisions. It is then that they begin to ponder over the college and future questions.

Northern's juniors managed through all of this to find time for some activity. Under the leadership of: president Stephanie Robb, president Ronie Brown, secretary Kelly Simpson and treasurer Venita Bowie, they raised over \$3,000.00 for their class. They did this by selling various items all year around and sponsoring a Jr. Couples dance as their main project.

The sponsors for the Jr. class were Ms. Mallie Nunn and Mr. Richard Black.

This class of 1979 now goes on to face the challenge of being seniors. Though their senior year will, as it is for most, be their most exciting one high school, they'll not forget that last step up the ladder aboard the Viking ship in their 50th anniversary year.

The 1977-78 Flint Northern High Sophomore class was 963 strong. Hailing from the several jr. high schools in the city, this was their first year in Viking country.

At the year's beginning there was an election held for the members of the sophomore class to choose the persons they wanted to hold the various offices available for sophomores. The election results were sophomore class President-Paula McGee sophomore class V-President-Pamela McGee sophomore class Secretary-Sara Hollimon sophomore class Treasurer-Yvette Gayden

The class aspired to raise at least \$100.00 this year. They reached their goal and far passed it with the main fund raiser being a fashion show.

For the next 2 years these students will be aboard the Viking ship. In these 2 years they will make moves and decisions very vital to their remaining future. In 1980 they will disembark to attempt to meet the challenging world, but they should never forget that they were privileged to be aboard the 50th anniversary Viking voyage.

Students take a break from regular classroom routine and pose for a quick shot.

Voyages Of The Vikings

1928 1978

Creativity, An Important Part Of Art

Creativity was the name of the game in Flint Northern's Art Department. This was the goal of Mr. Nate Hendricks and Ms. Peeti Greene as they commenced the new year with fresh, eager new students.

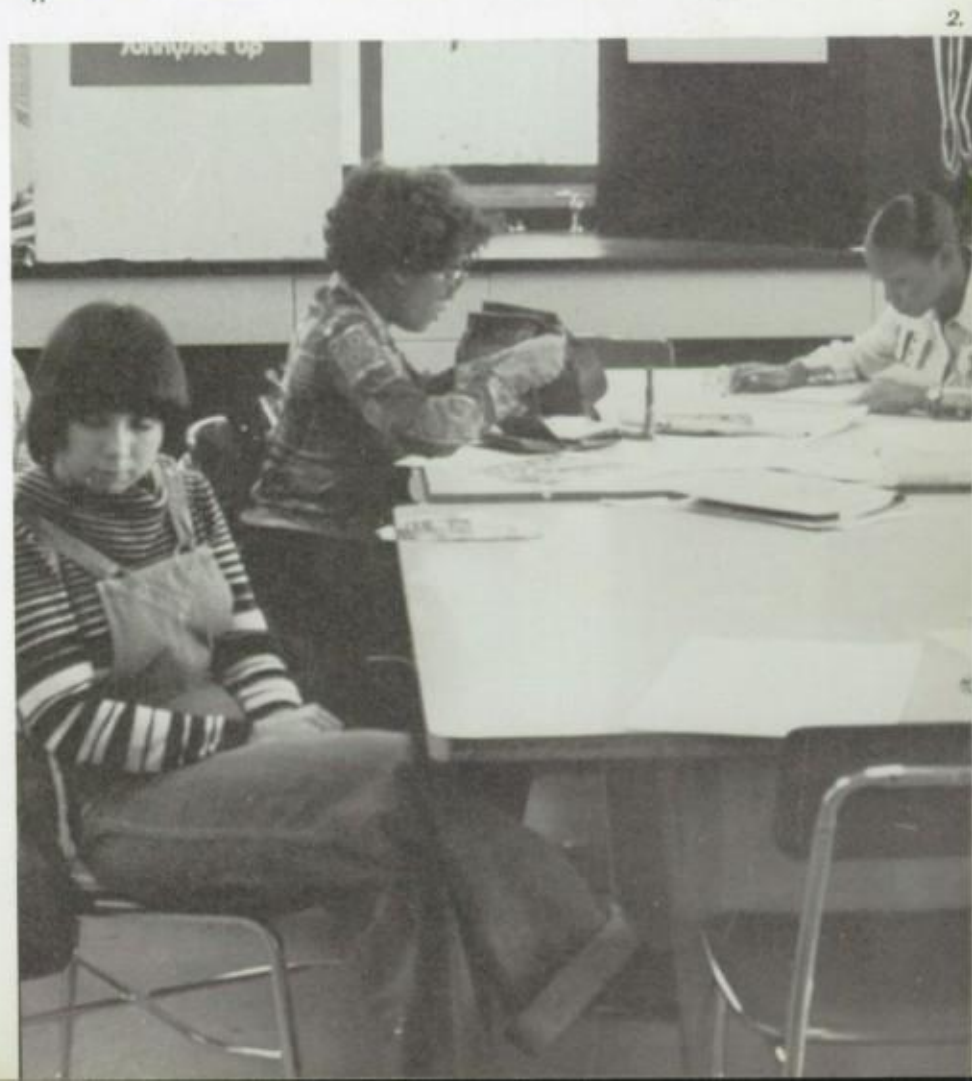

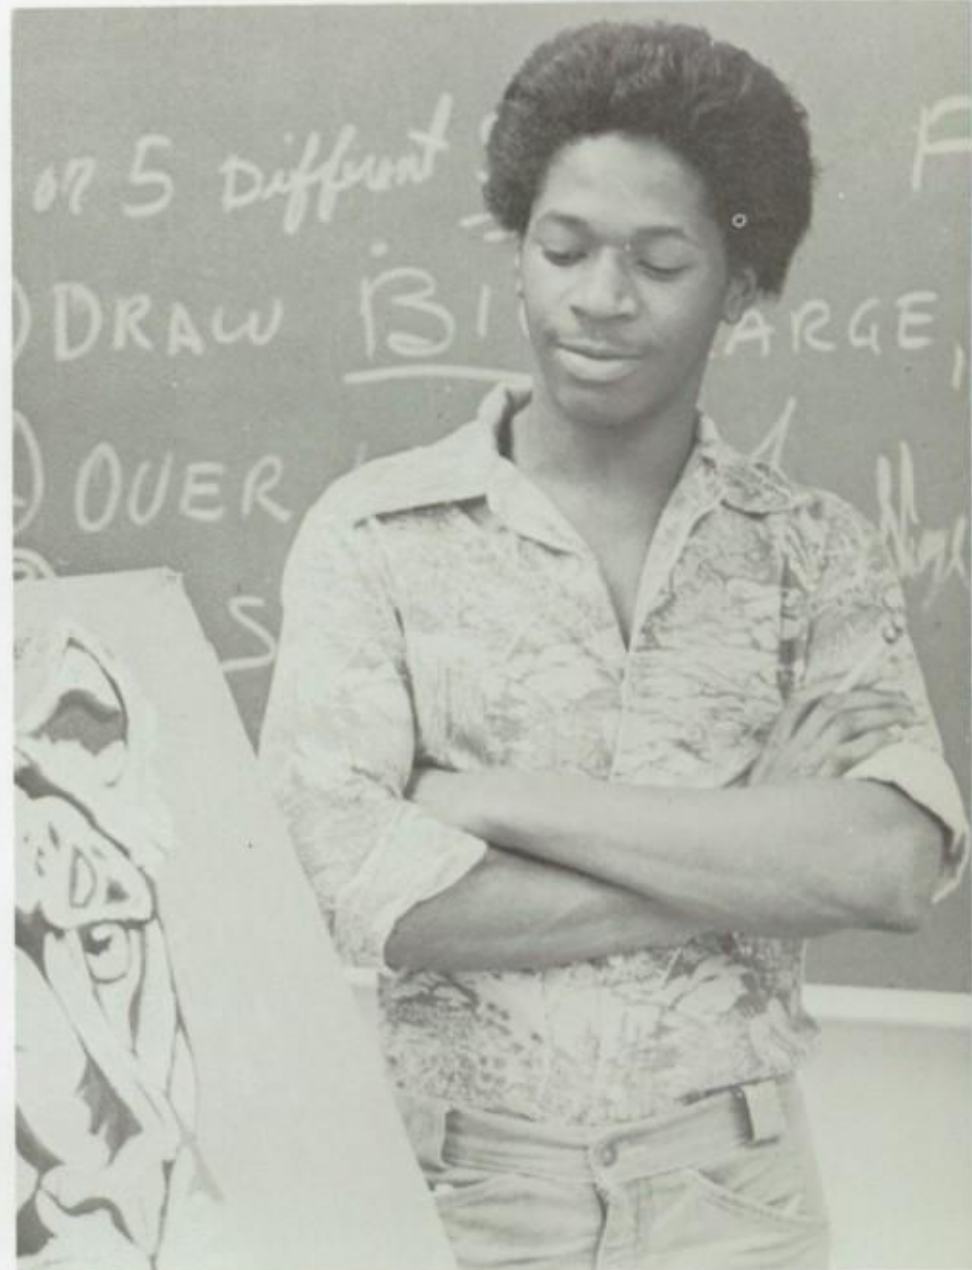

The art course selection this year included such offerings as painting, drawing and stitchery, and macrame. These classes attracted numerous students desiring to learn or improve their skills in the field of art. Some students involved in the art curriculum were given the chance to proudly display their work on parent visitation night at Northern.

Mr. Nate Hendricks was the department chairperson for 1977-78. He has been a teacher at Northern for 2 years and has held the position of chairperson since he arrived back in 1975. Neither he nor Ms. Peeti Greene, the other department member, are of the 50-year Viking Alumni.

Down through the years, Vikings have always exhibited great potential in the field of art, and the voyage through the 50th anniversary year was no exception.

1. Ronald Crowder displays some of the fine art work that is done in class.
2. Sandy Dale, Audrey Seals and Lewisteen Andrews find time to take a break from their hard work in Mrs. Peeti Greene's art class.

Students Learn In Industrial Arts By Doing

Among the various courses Northern students elected from this past year were such specialized areas of study as Industrial Arts. This program was designated to introduced the students to the highly technical field of work in Graphic Arts and Automotive Mechanics. This goal was felt to be accomplished as the number of students involved in the program and quality of the work they did spoke for itself.

Graphic Arts was a special program including students from the other Flint High Schools. They also printed the newspapers for all 4 Flint High Schools.

The departmental chairperson was for Industrial Arts for 1977-78 was Mr. Tony Rasmovich. He has been a teacher at Northern for thirty years and his department's chairman for the past 10 years.

Of the five teachers on staff at Northern in Industrial Arts none of them graduated from Northern. But interestingly enough, auto mechanics instructor Randy Johnson's father is a member of the 50-year old Flint Northern Alumni.

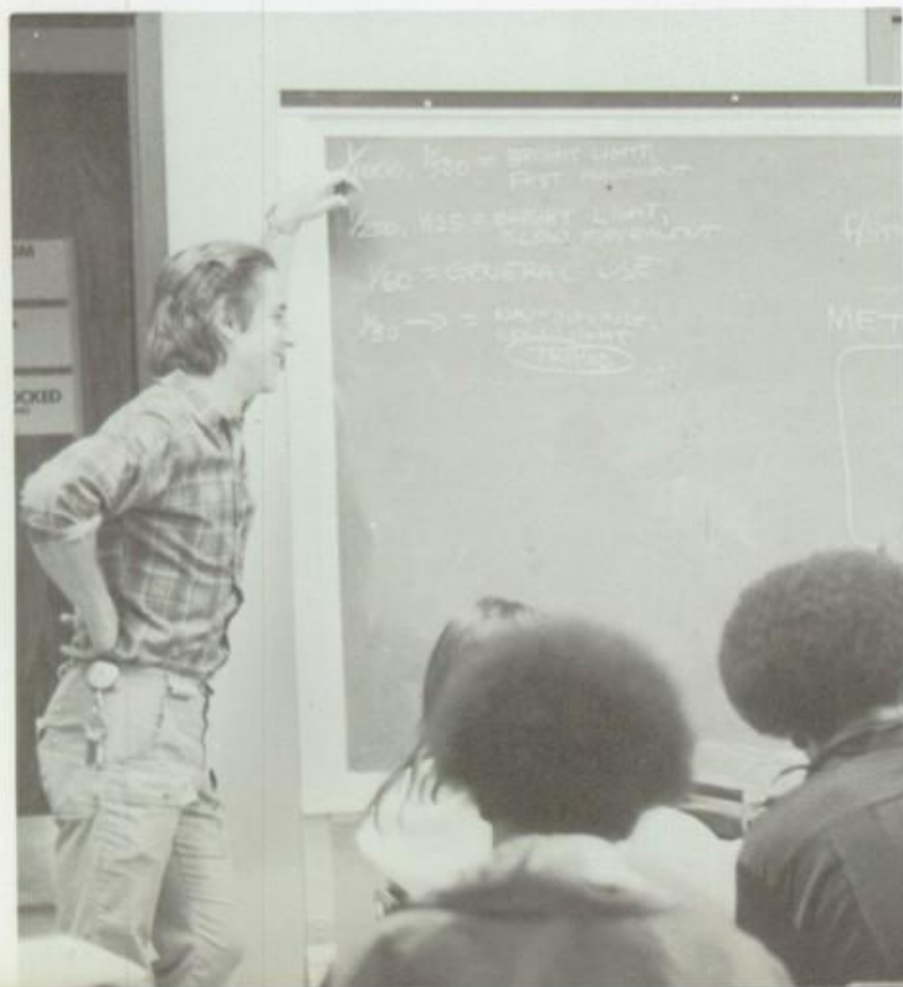

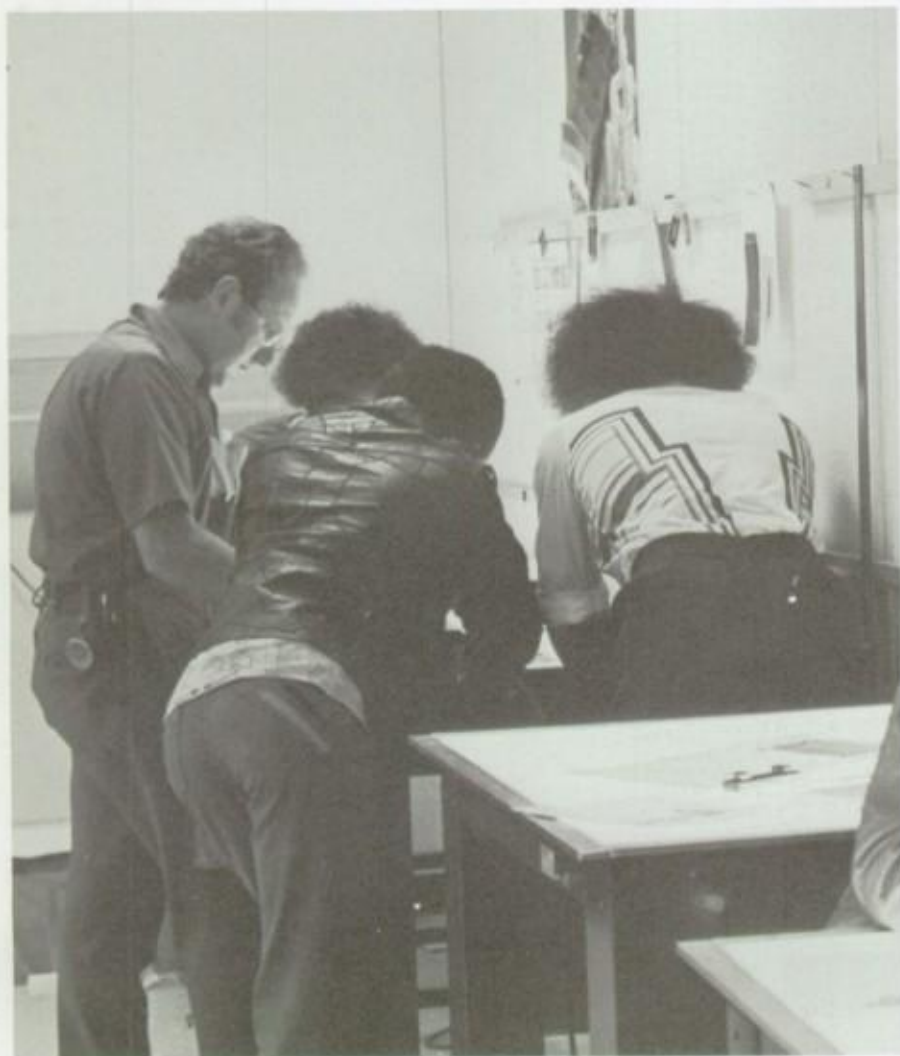

1.

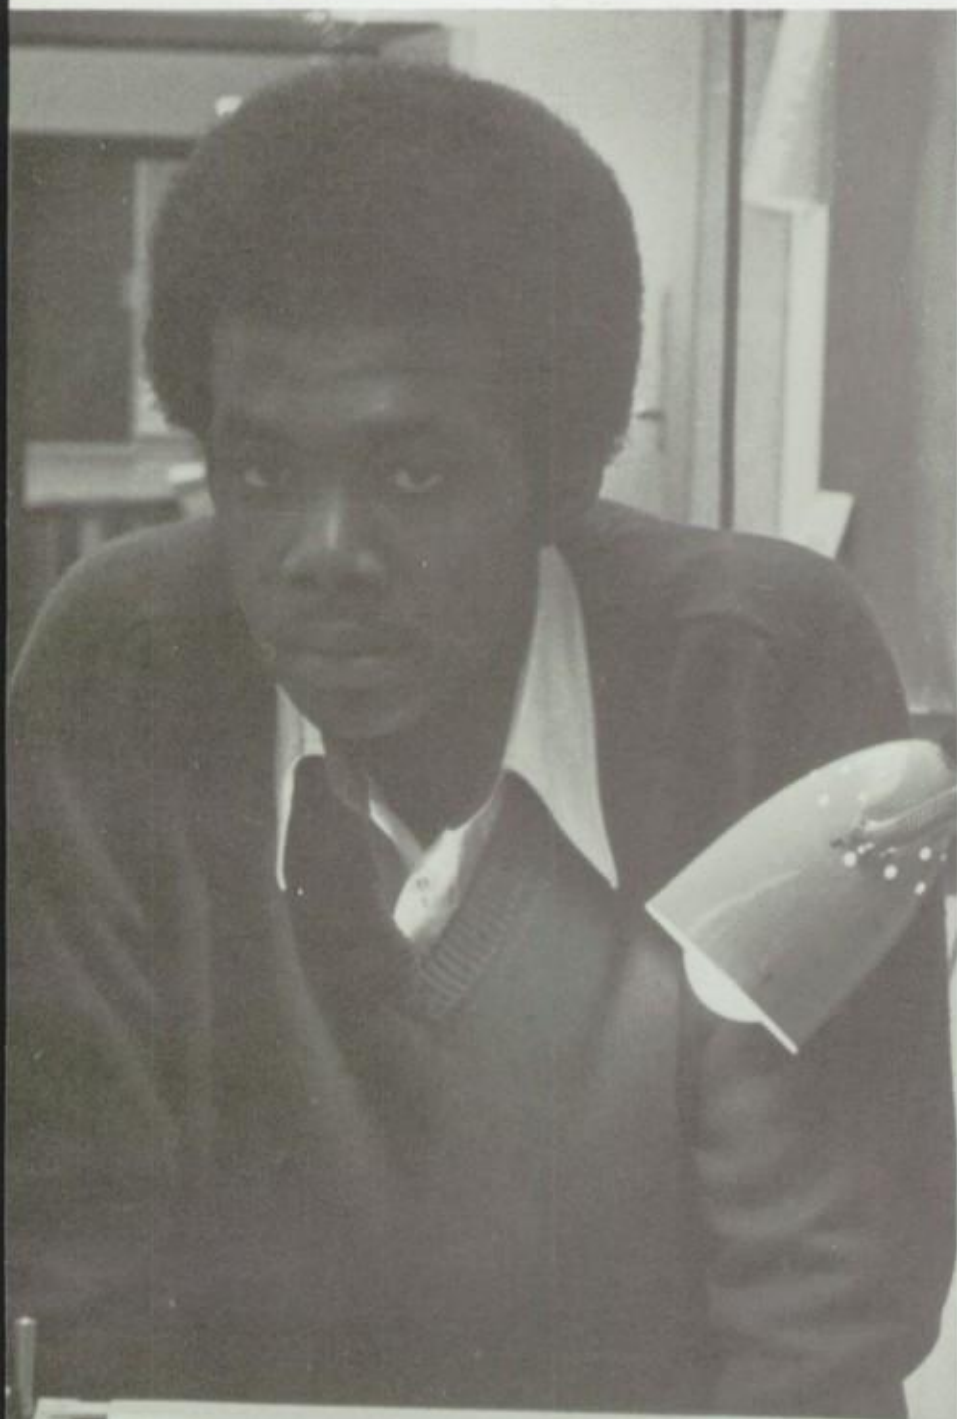

1. Students work hard to finish their projects.
2. Anthony Buckley shows the concentration that goes into woodshop.

1. Mr. Wierman shows students the way it is to be done.
2. John Prater is teaching students the proper way to line up scratch pads.
3. Steve Mezaros gives his students a few pointers on the use of cameras techniques.
4. Robert Bondon shows intense interest in his work.

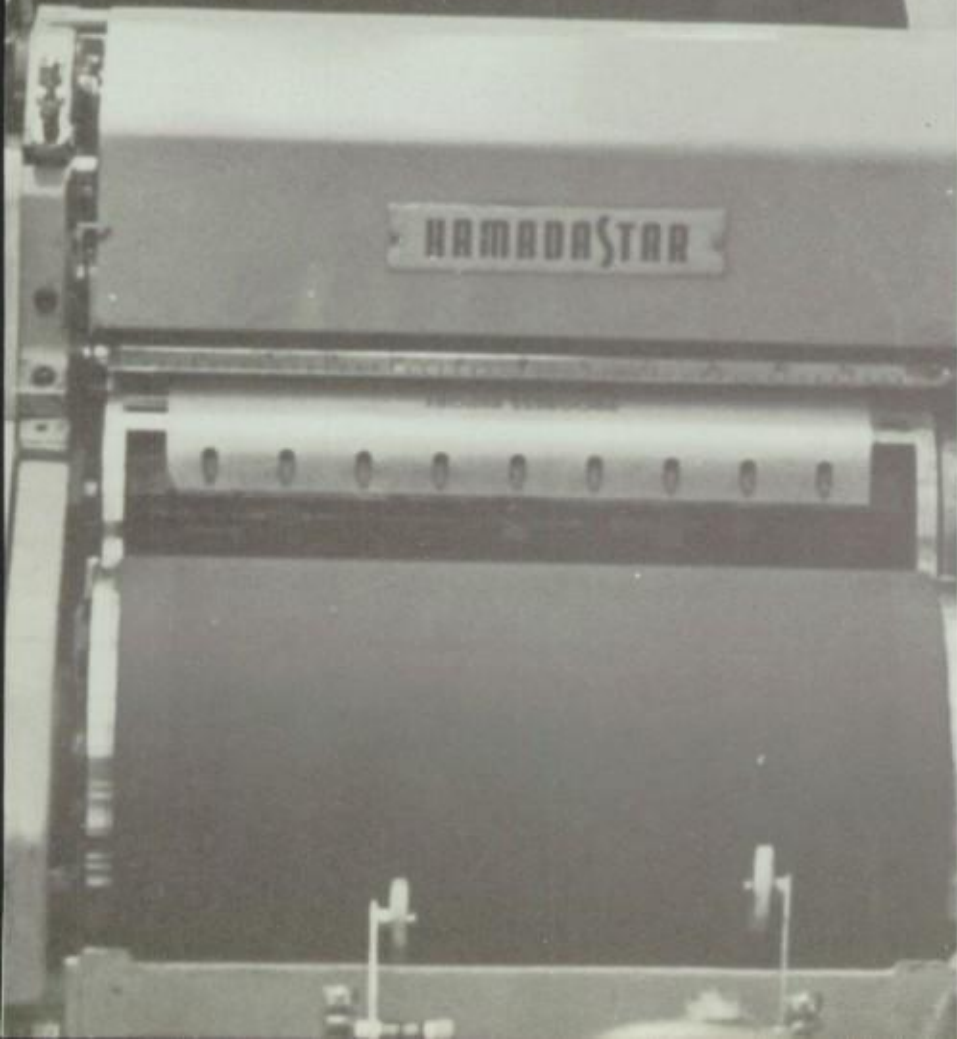

Students In Graphic Arts Perform Many Tasks

2.

1. Donald Johnson pauses for a rest.

2. Eric Hurley, form Southwestern, enjoys the speciality program offered at Northern.

Students Show Interest In Business Classes

Business was booming at Flint Northern during the 1977-78 school year. The Business Department was busily at work as the 5 teachers in the department determined to teach students to successfully master the business skills to the most proficient degree possible at high school level. These skills were those of typing, shorthand, stenography, accounting, marketing and other office skills.

The students wishing further studies than those taught at Northern were urged to participate in either the Accounting specialty at Flint Northwestern or the Marketing specialty at Flint Southwestern. For more enjoyment there were 2 business clubs; BOEC, Business and Office Education Clubs' and DECA, Distributive Education Clubs of America.

Mr. David Jacobs was the chairperson for the Business Department this year. He has been aboard the Viking crew for 8 years and Chairperson for 2 years. He and the other 4 teachers got down to the business of business each day.

1. Students learn to work with business machines.
2. Students keep there eyes on the book and not on the keys.

1.

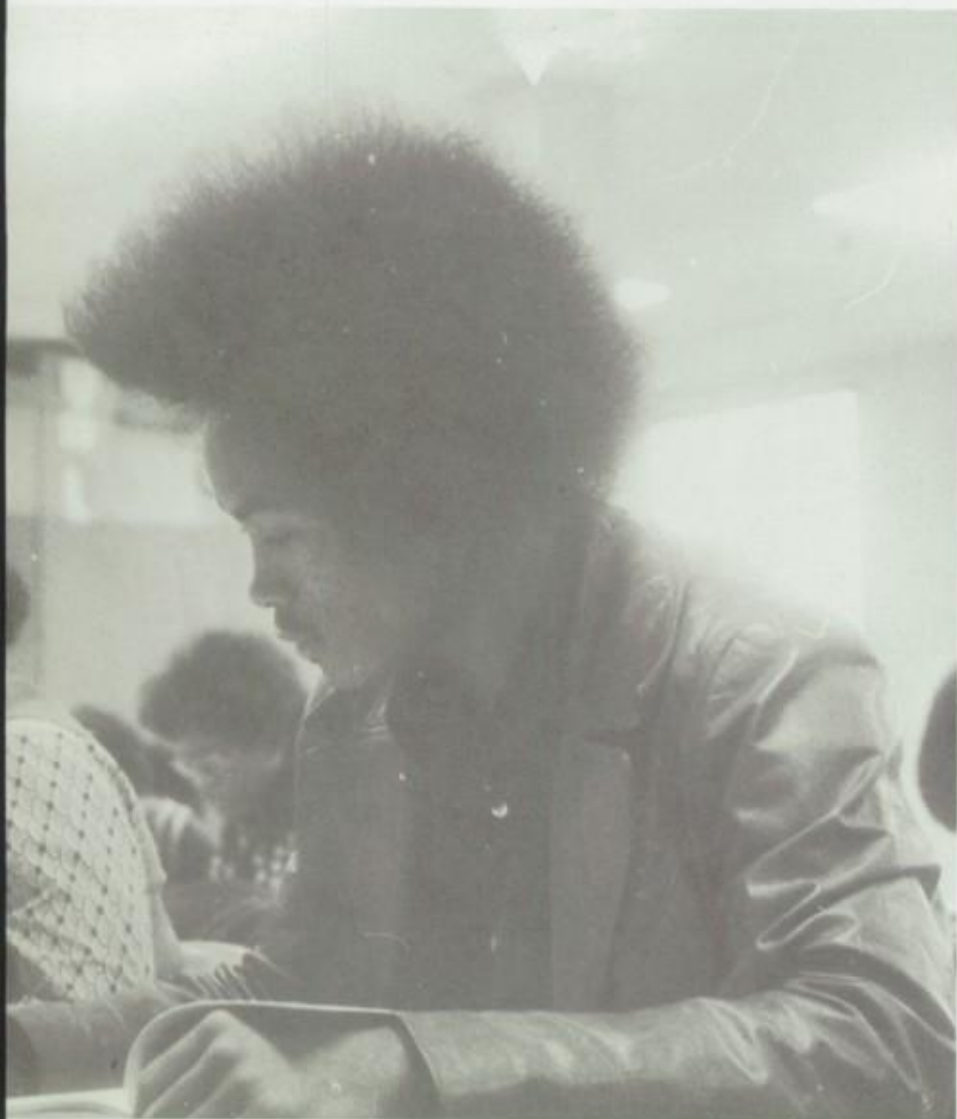

2.

1.

2.

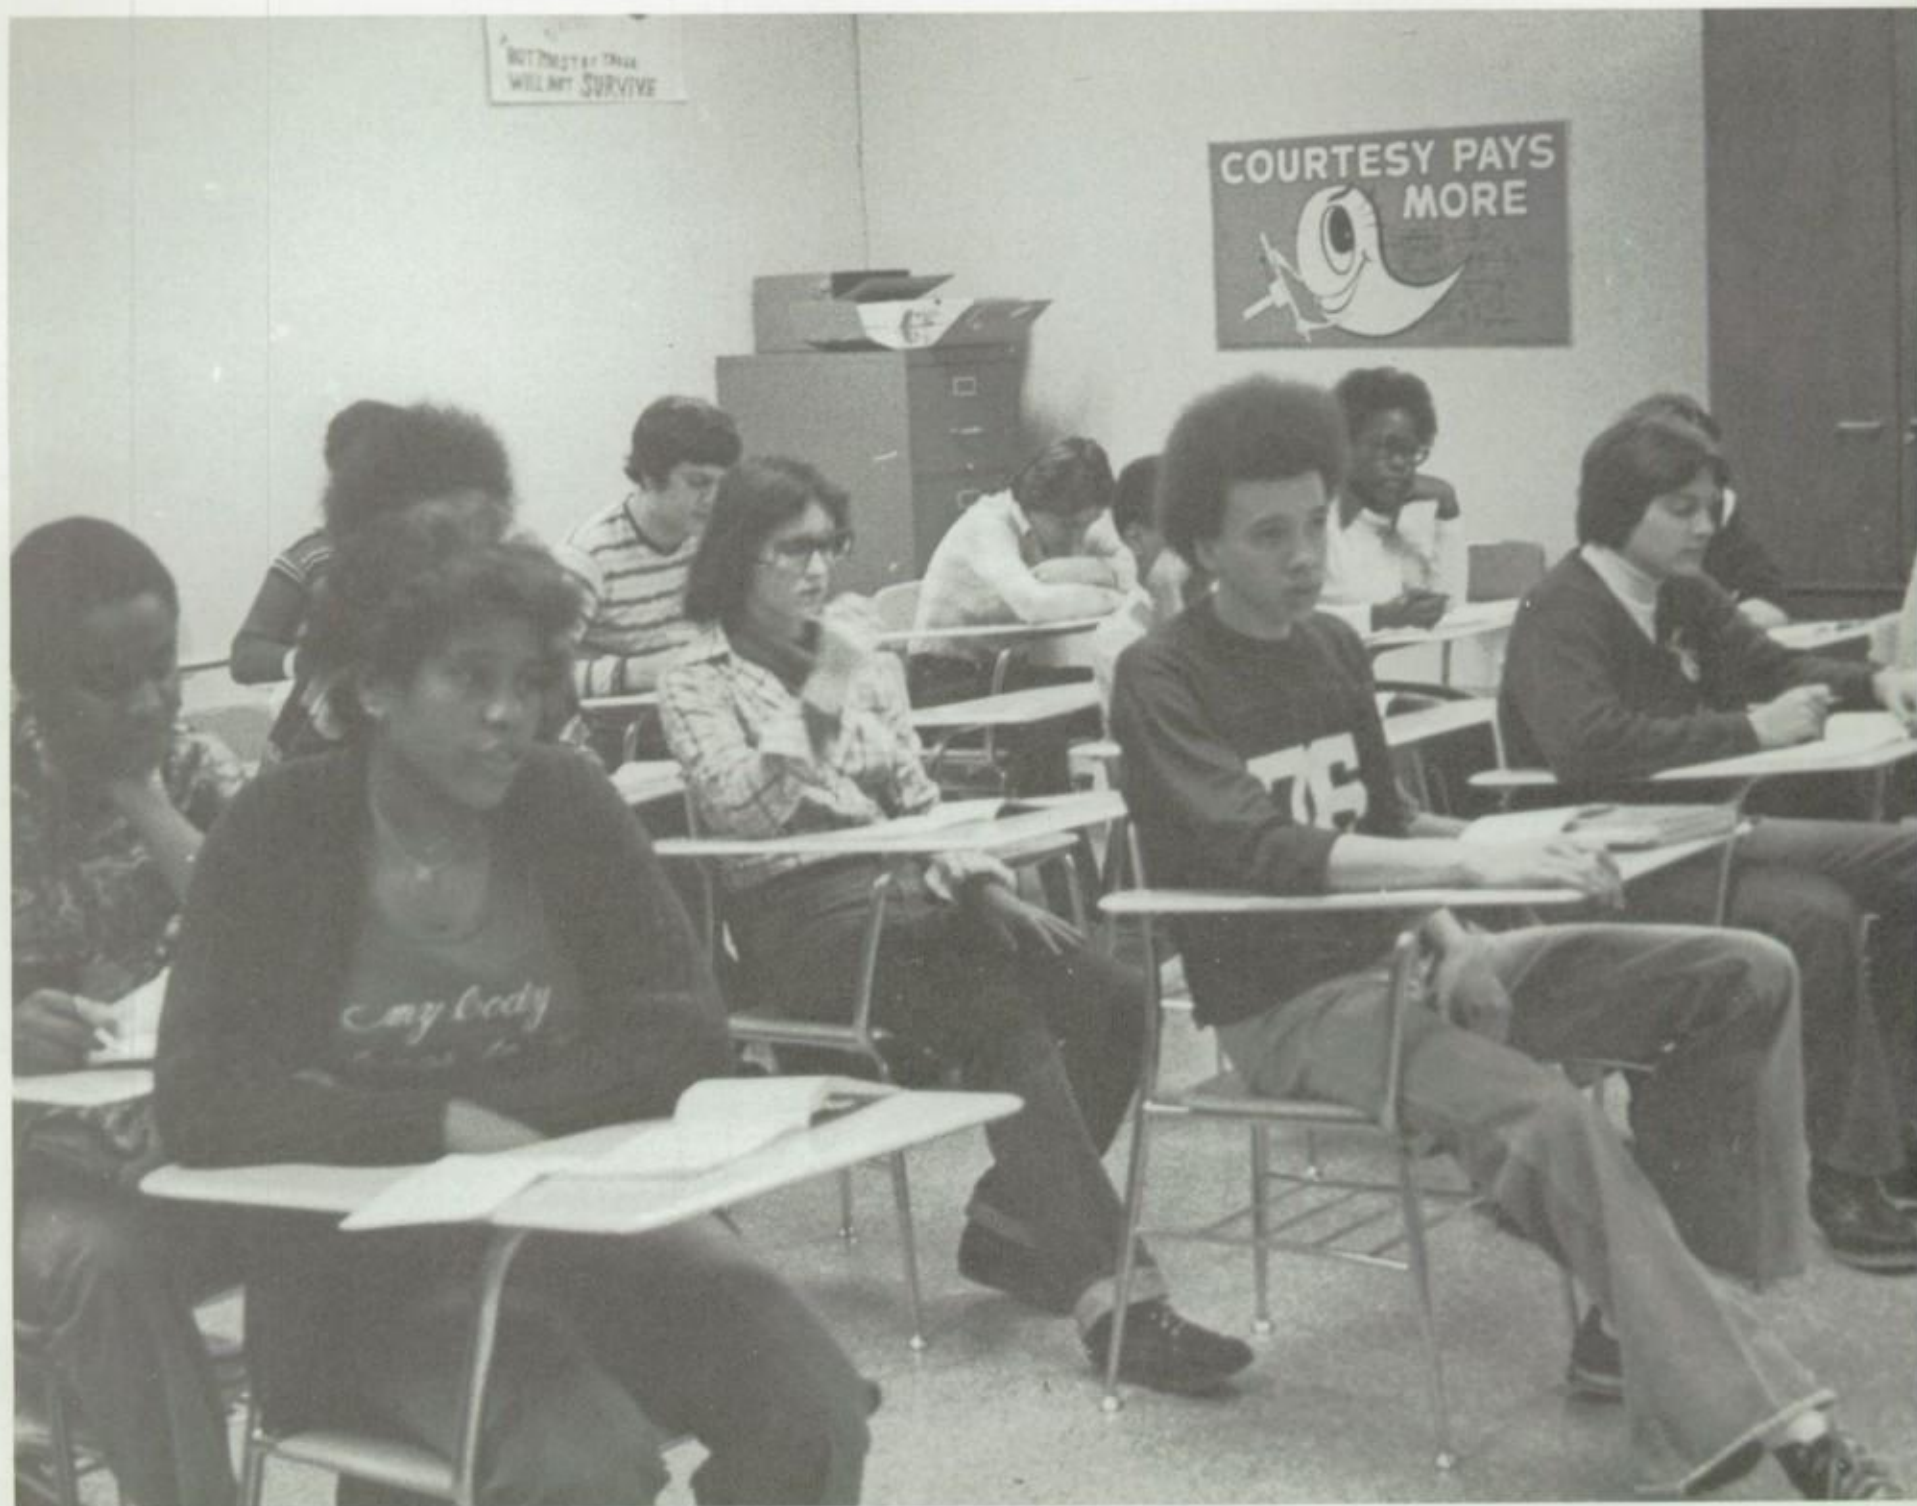

3.

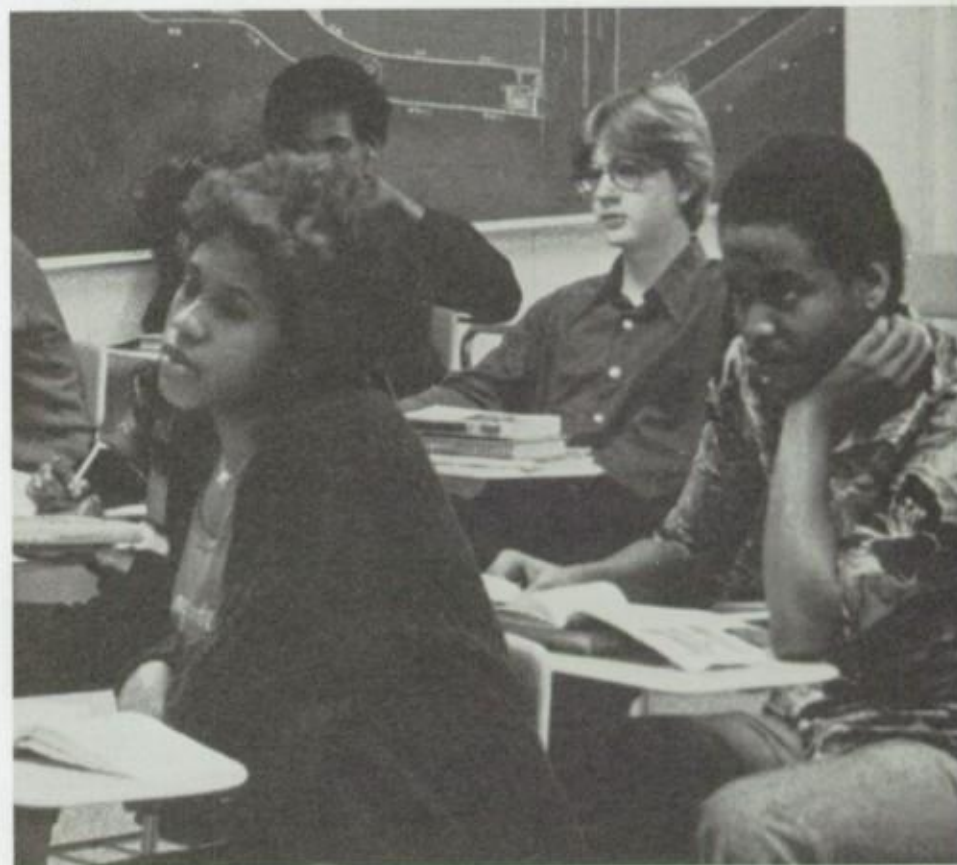

4.

1. Gwen Cole takes a minute to think about a problem.
2. Rich Tobias and Patty Wilson copy down a few extra notes during typing class.
3. Mike Miller works hard to finish his work.
4. One of Mr. Polites' typing classes is busy at work.

2

1. Students discuss the "What Every Driver Must Know" book in their Driver's Education class.
2. Connie Graham and Maury Hairston listen intently to their Driver's Ed. instructor.

Driver's Ed. Is Serious Business

When asked what were the goals of the Driver's Education Department for 1977-78, Mr. Gene Denney humorously replied, "To stay alive and safe in spite of Northern students' 'driving abilities'!" And for one more year the instructors have managed to live through their attempts at teaching it.

Amusing it may be, but when the students in Driver's Education were in the classrooms or on the driving range they buckled up to serious business. They were taught how to operate an automobile and to drive carefully with the flow of traffic.

Driver's Ed. at Northern was taught in sections of 10 week courses by 3 instructors, Mr. Gene Denney — senior instructor, Mr. John Converse and Mr. Frank Mazza.

Most of the students were anxious to have driver's education as a part of their schedule. They were as eager as most teenagers at the prospect of driving. Thus, just as the Vikings have managed throughout their 50-year voyage to steer the ship successfully, this year was no exception in turning out good Viking drivers.

2

1. George Robinson listens and takes important notes in his Driver's Education class.
2. Students use books, films, and teacher's lectures to help prepare them for becoming careful drivers.

English Keeps Students Thinking

1. German students Adrian Towns and Joe Kontyko get a quick lesson in German adverbs and adjectives.
2. Students show many facial expressions as they begin their class work.

In addition to English, 3 foreign languages, French, German and Spanish were taught at Northern this year.

The English Department's teaching staff at Northern had quite a job the 1977-78 school year. Since most students who graduate must have English as one major, their hopes were to improve the courses and course work in order to provide a broad, practical, and effective basic background in the English skills.

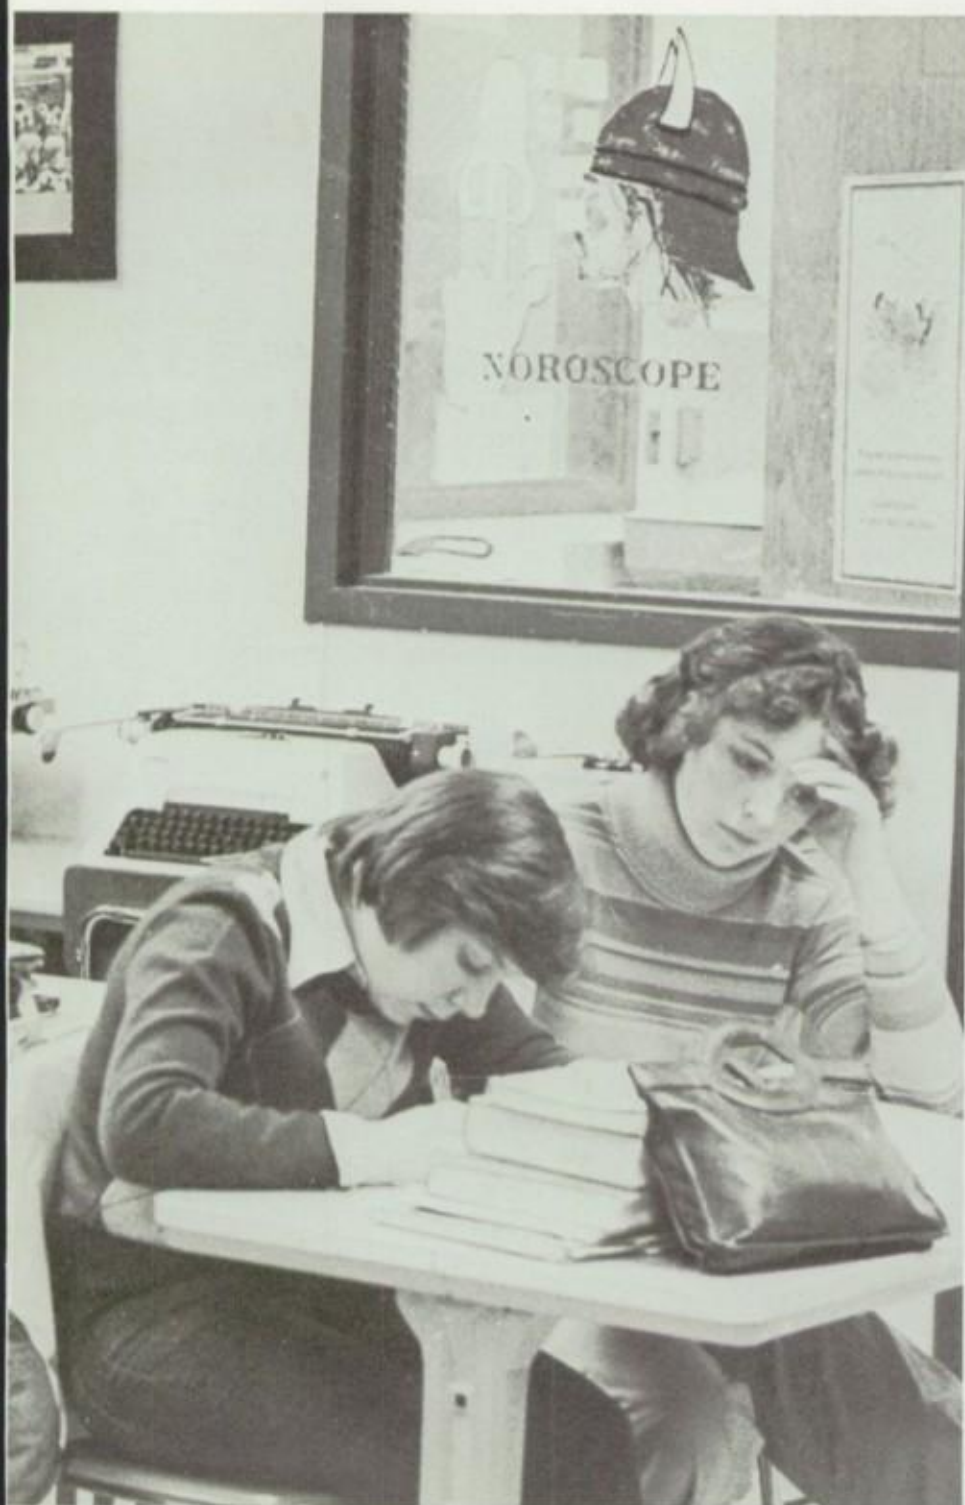

Mrs. Mary McOwen was the English Department's chairperson. The Foreign Language Department chairperson was Mr. Keith Johnston, the German teacher. Ms. Theda Wilson instructed students in French, and Ms. Delores Zale taught Spanish.

Students who wished to pursue language skills as a specialty were invited to participate in either/and the English specialties or the Foreign Language specialties both taught at Flint Central High School.

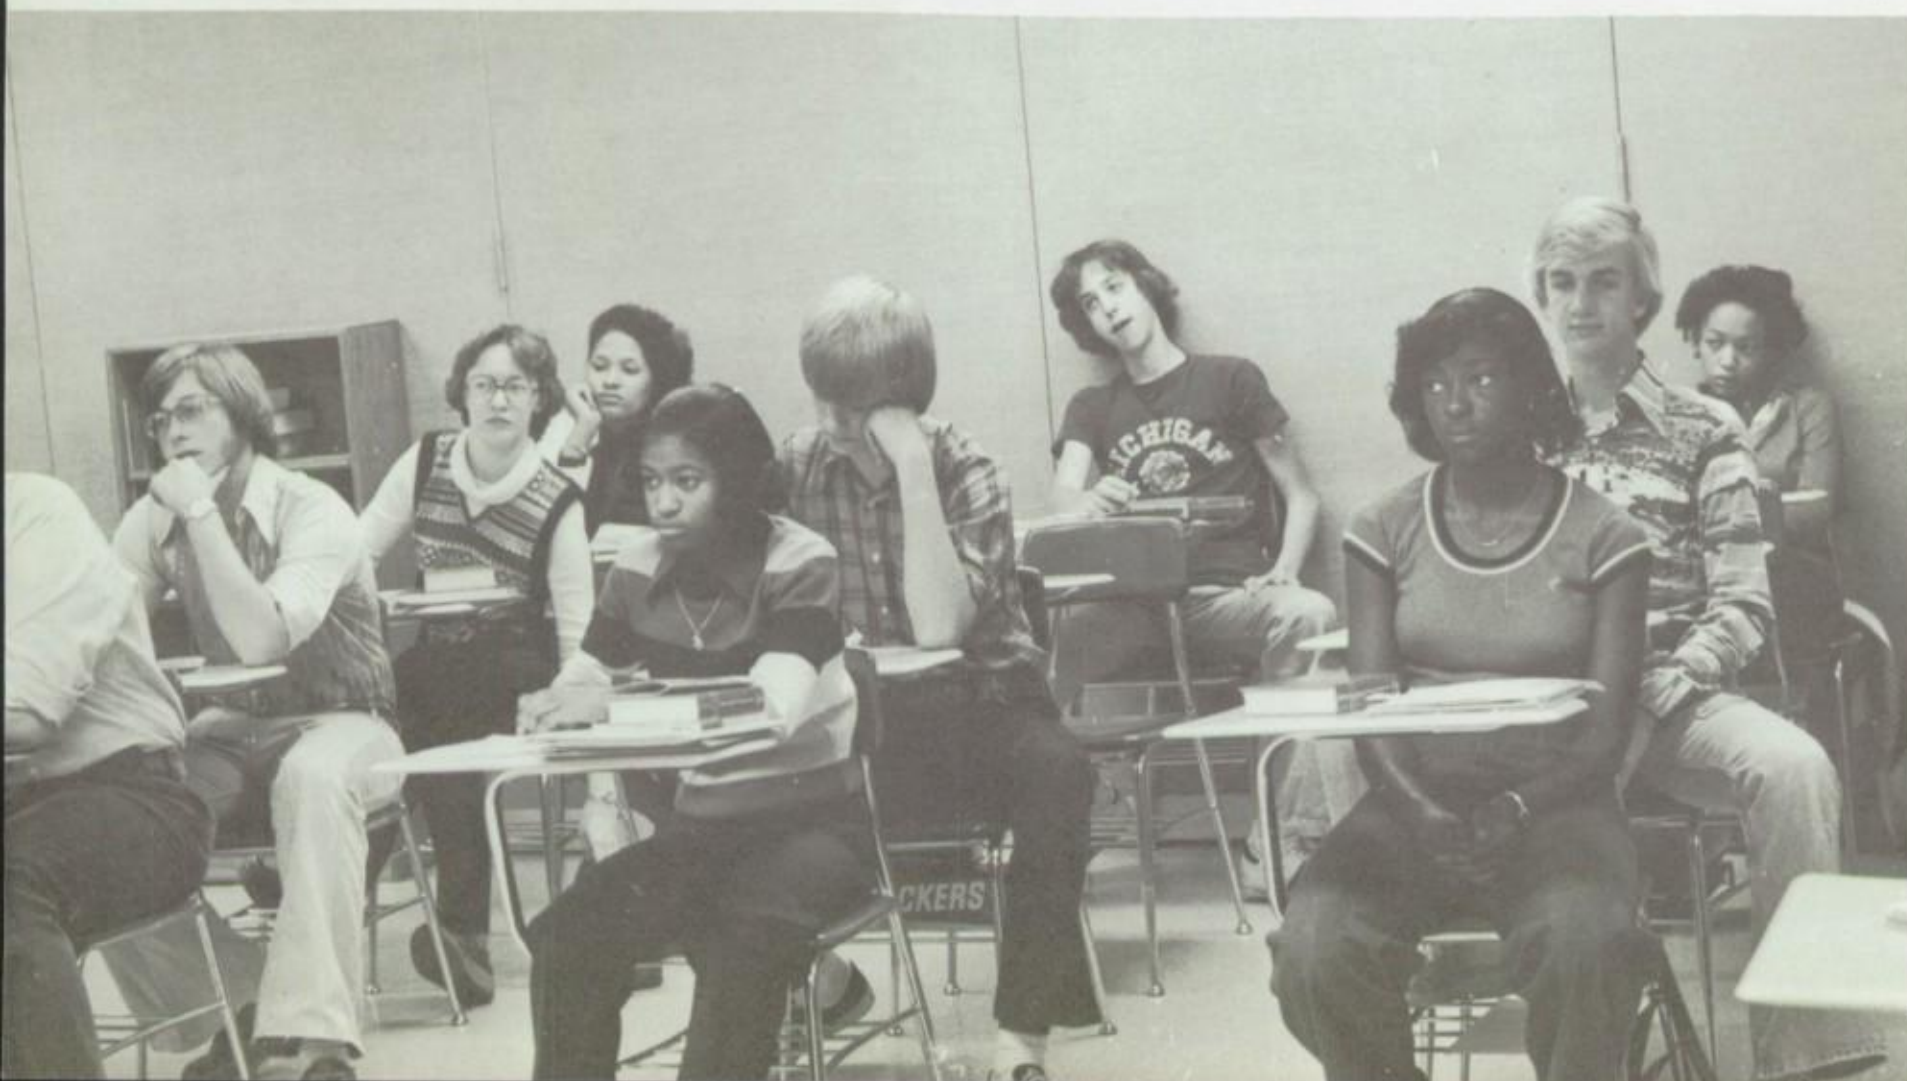

Of 15 full and 5 part time teachers in the language departments, Mr. Bill Adams was the only who was once a student at Northern.

2

1. Debbie Laureto and Ardith Bullock know that concentration is important when it comes to English studies.
2. Students in their English class keep themselves busy as class time goes on.
3. Lectures in Advanced Composition keep these students interested.

Afternoon Delight!

1

1. Teachers and members of the community attend Afternoon Delight, a combination fashion show and luncheon, put on by Northern's Home Ec Department. The Afternoon Delight was held in mid January.

2. Whipping up a cake is quite easy as shown by Pamela Collins and her instructor Ms. Holley.

2

Home Ec. Is A Challenging Course

Learning the principles of home economics was the challenge to the students enrolled in the program this year.

The Home Economics program at Northern aspired to reach 3 goals during the 1977-78 school year and they did, namely, to make appealing Home Economics classes to the mass of students enrolled, to help students acquire information related not only to the home, but to business, and to learn the principles of both. For students desiring special instruction in this area, there were clothing and food specialty programs at Southwestern High, and a Child Care program taught at both Kennedy Elementary and Northwestern High.

The Home Ec. Department chairperson this year was Mrs. Anita Holley. She and Mrs. Denise Moss worked together in helping students gain knowledge and information that would guide them in the future.

Throughout its 50-year history the Viking journey was aided in its success by teachers and courses with such beneficial objectives in view.

2

1. Ms. Holley explains to Arthur McGee the technique used in sifting flour.

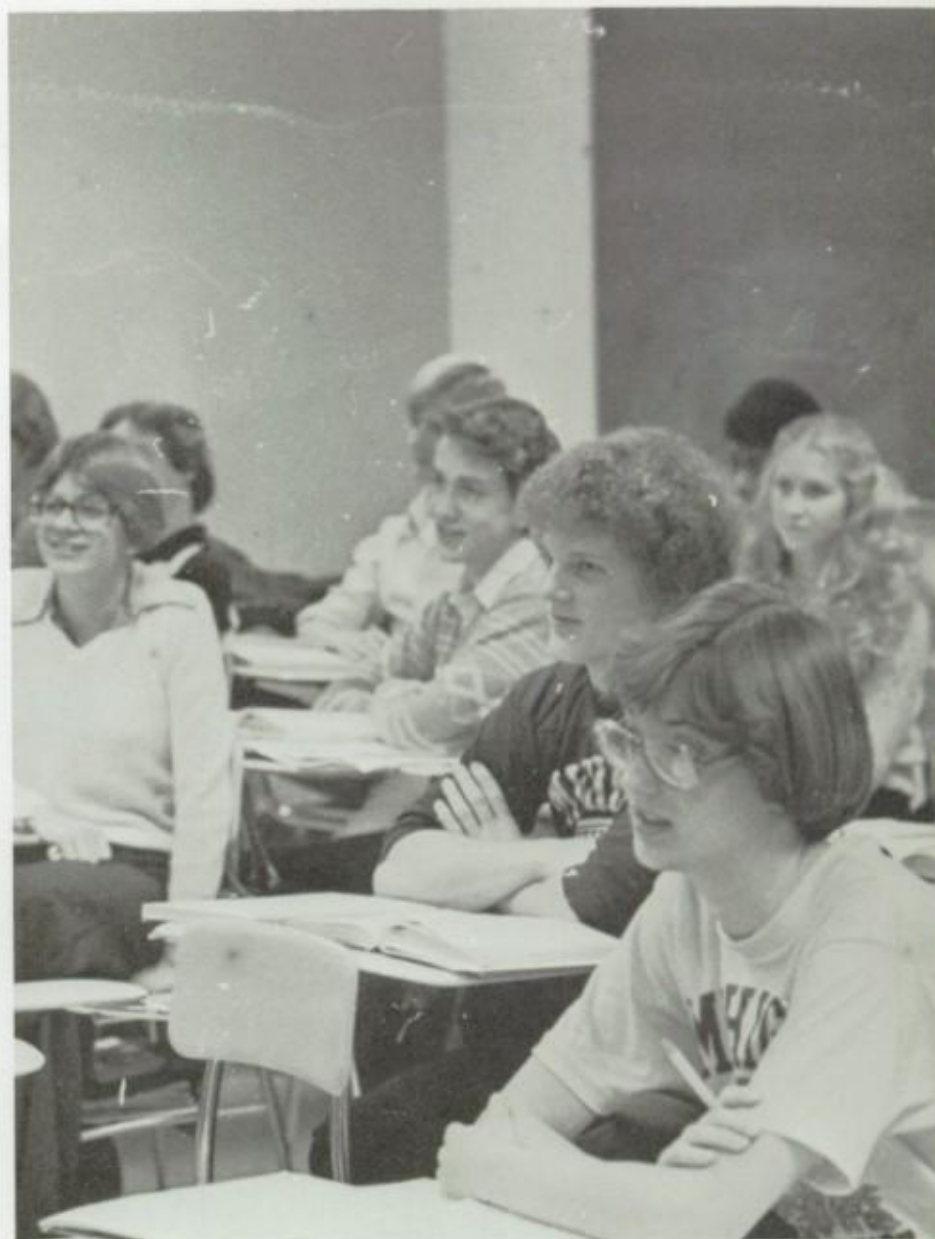

2. Fredricka Bonner, Sherry Charthane, and Sandra Bates chat over cookies and kool-aid during Home Ec.

1. Students look completely baffled as Mr. Duncan asks for volunteers to come up and write a math problem on the board.
2. Melvin Moliassa, Marty Price, and Vicki Skutt, all students of Advanced Functions in the math specialty program keep themselves "tuned in" to what the teacher is explaining.
3. Math students enjoy a few leisure moments of leisure time before the daily math lecture takes place.

2.

Specialty Math Looking Great At NHS

The 1977-78 Math Department sought to increase students' abilities in areas of math ranging from the basic fundamentals to the highest specialty program-Calculus.

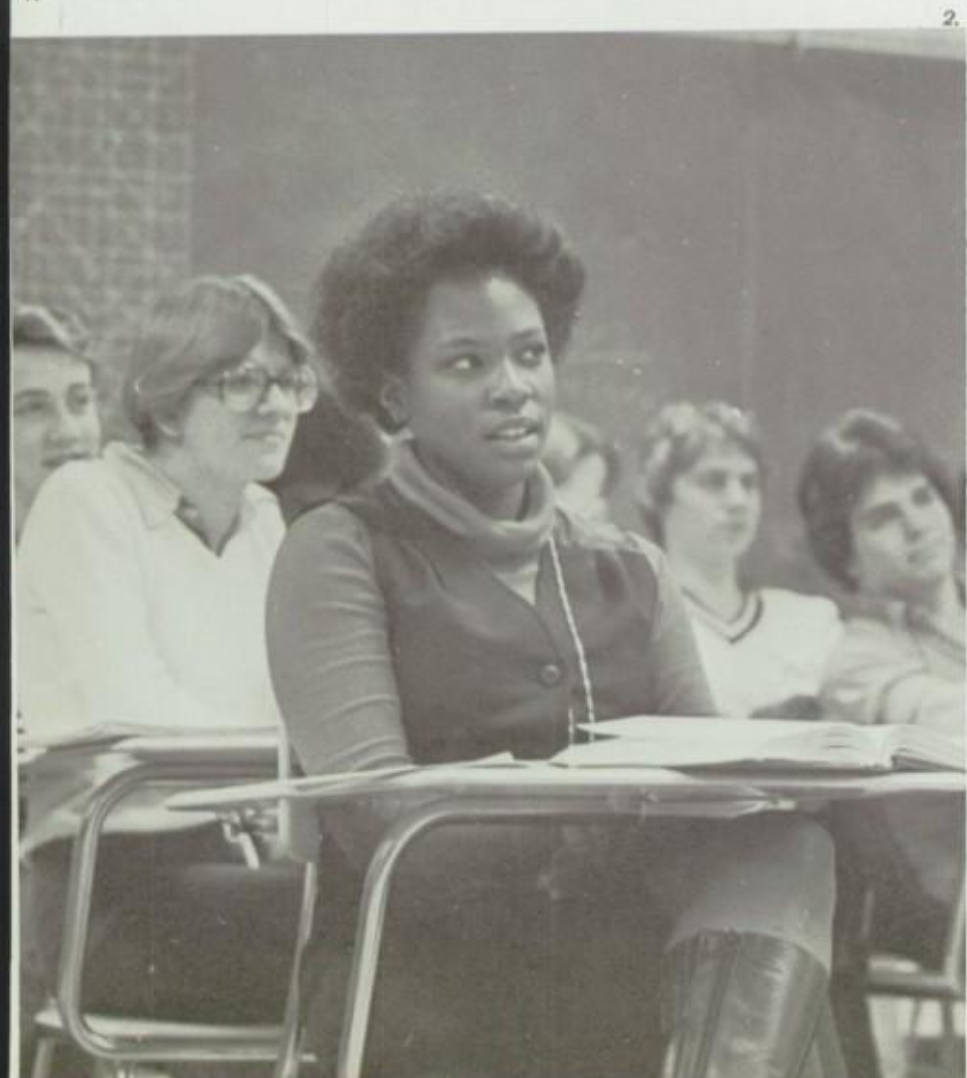

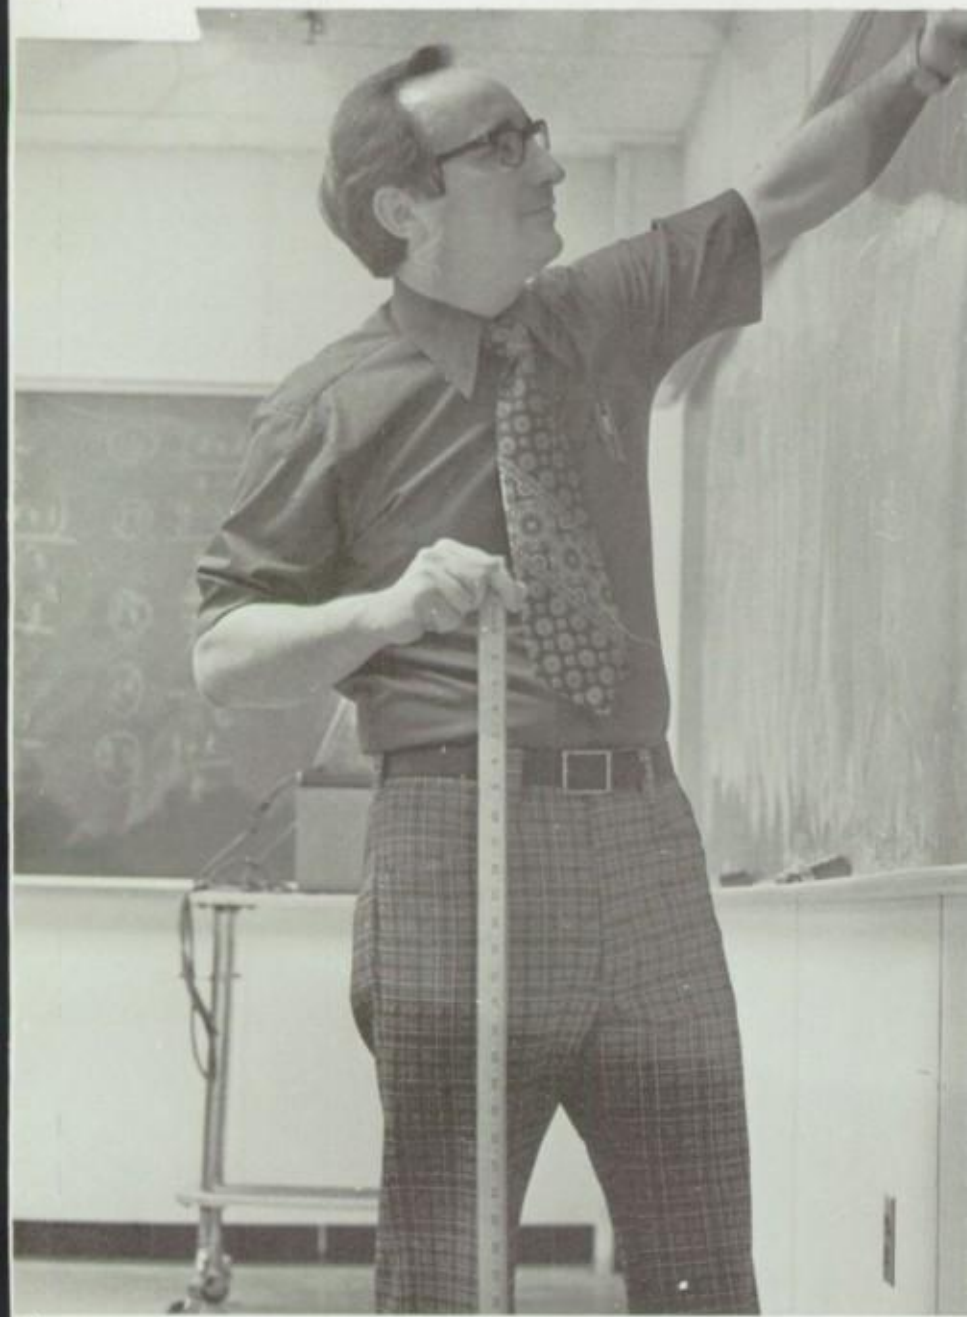

Students enrolled in math were taught by either of the 8 teachers in the department. These students were urged by these outstanding teachers to practice good study habits to prompt their fullest learning capabilities.

Math specialty was taught at Northern, too. It entailed such classes as algebra 3, trigonometry, advanced functions, analytic geometry and calculus and calculus I & II. These specialties were composed of students hailing from Northern and the other 3 Flint Public High Schools.

The department chairperson for the 1977-78 school year was Mr. Frank Miller. He has been a teacher at Northern for 2 years. He has been department chairperson for two years.

The Math specialty program was an invitation to non-Vikings for a visit aboard the Viking ship.

1. Mr. William Duncan carefully goes over any math problems so that his Advanced Functions students will understand the assignment.
2. Allison Garrett and fellow classmates look skeptical about the work being explained on the board.

Vikings Show Belief In Music

The Music Department at Flint Northern High was a proven success. They began the 1977-78 school year with 3 goals in view: 1) to achieve their eleventh consecutive no. "1" rating at the annual competition for choir; 2) to have the most proficient marching band in the city, and 3) to develop a high school jazz band.

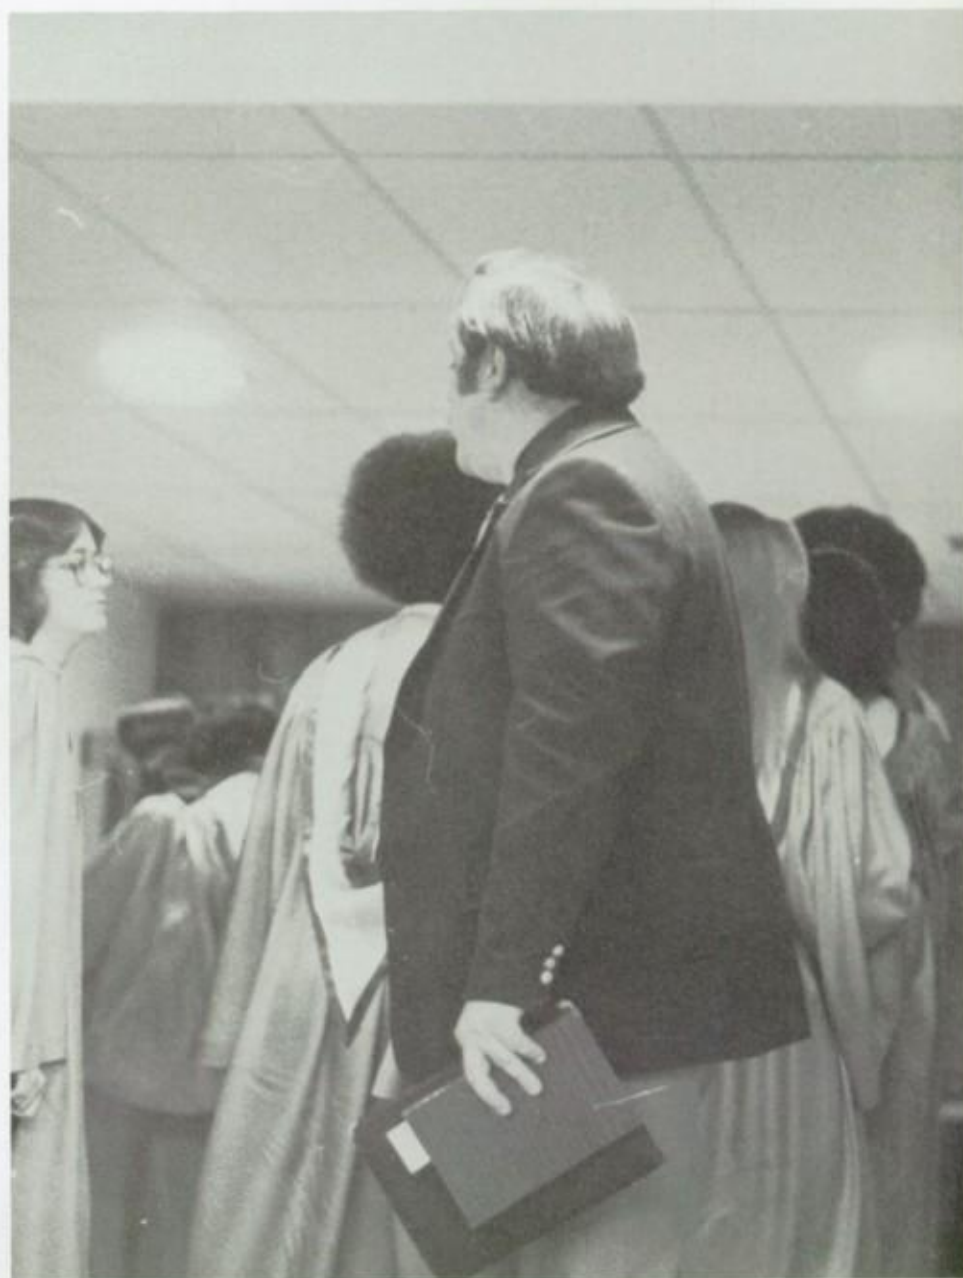

The Marching Vikings entered several competitions in the state of Michigan returning home with 2-2nd place and 1-3rd place ratings. They also sponsored a concert at NHS with the prominent jazz musician-Maynard Ferguson.

Classes in the specialty program for music were taught at Flint Central High School. They were composed mostly of the technical academic areas of music.

Mr. Helmut Petrich was the department chairman for music this year. He has been so for 9 of the 10 years that he has been vocal music instructor at Northern. Mr. Ronald Shoup, instrumental instructor, worked hard to keep the students in tune with the no. 1 Viking beat as Northern celebrated its 50-year voyage.

1. Mr. Helmut Petrich gives choir members some last minute instructions before their first performance of the year.

2. The Marching Band's clarinet section gets in a last minute practice before the big competition in Bridgeport.

1. The Marching Band strives for the top at the Annual Marching Band Concert, which comes at the end of every Marching Band season.

2. The Choir should be commended on the beautiful performance they gave at the Dupont Street, Church of God.

2

1. Physical Education students line up in class while waiting for instructions on their next activity.

2. Students learn the importance of keeping their bodies in shape as they participate in an exercise drill.

Co-Ed Classes Proves Interesting

All Physical Education classes at Northern were coed in the 1977-78 school year. This was the goal of the department at the beginning of the year.

But how did the students feel about combining male and female gym classes. One female replied, "It's more of a challenge with the boys in there." She also felt that they had higher goals and did more activities. Some students didn't like the idea of mixed classes.

The P.E. Department was headed by Mr. William Adams. He was a Northern graduate who came back as a teacher in 1951. He has been department chairperson since he returned 27 years ago. Along with Mr. Adams, one more of the 6 members, Mr. Dennis Gerace was a Viking graduate. They were both helping the Northern Vikings celebrate their 50th anniversary.

The challenge of being a no. 1 student is not all work. Physical Education has through the years provided a period for relaxation and pleasurable activities.

1. Young men in class take a break from regular activities to play some basketball.

2. Both teams are concentrating on the ball as students enjoy a game of volleyball.

Science Plays An Important Role In School

The Science Department was really involved this year. They started the year purposing to do as good a job as possible in teaching science and good study habits to all students involved in the science curriculum.

The specialty program involved in the Science Department was taught at Northern. This included classes in chemistry, physics and life science.

Several students were involved in the annual Science Fair projects and independent study research. Some students also visited the science museum in Chicago.

One science teacher, Mr. Donald Collins, was mentioned in an article in the *US News & World Report* magazine. He was explaining the use of computers in physics.

Mr. Harold Cochran was the department's chairman. He has been on the Viking staff for 23 years, and chairperson for the past 19 years.

One science teacher Mr. Gordon Brown, is a member of the Viking Alumni, celebrating its 50th anniversary.

1. Mary Jo Collens, Laura Garza, Grace Multiassa, Kate Goodyear take advantage of Northern's extra science specialty program. Students from other schools attend Northern because of their interest in this subject. They get visual aid with solo learning machine.
2. Liz Gibbons listens attentively as Laura Hughes and Ann Carr finish up for the day.

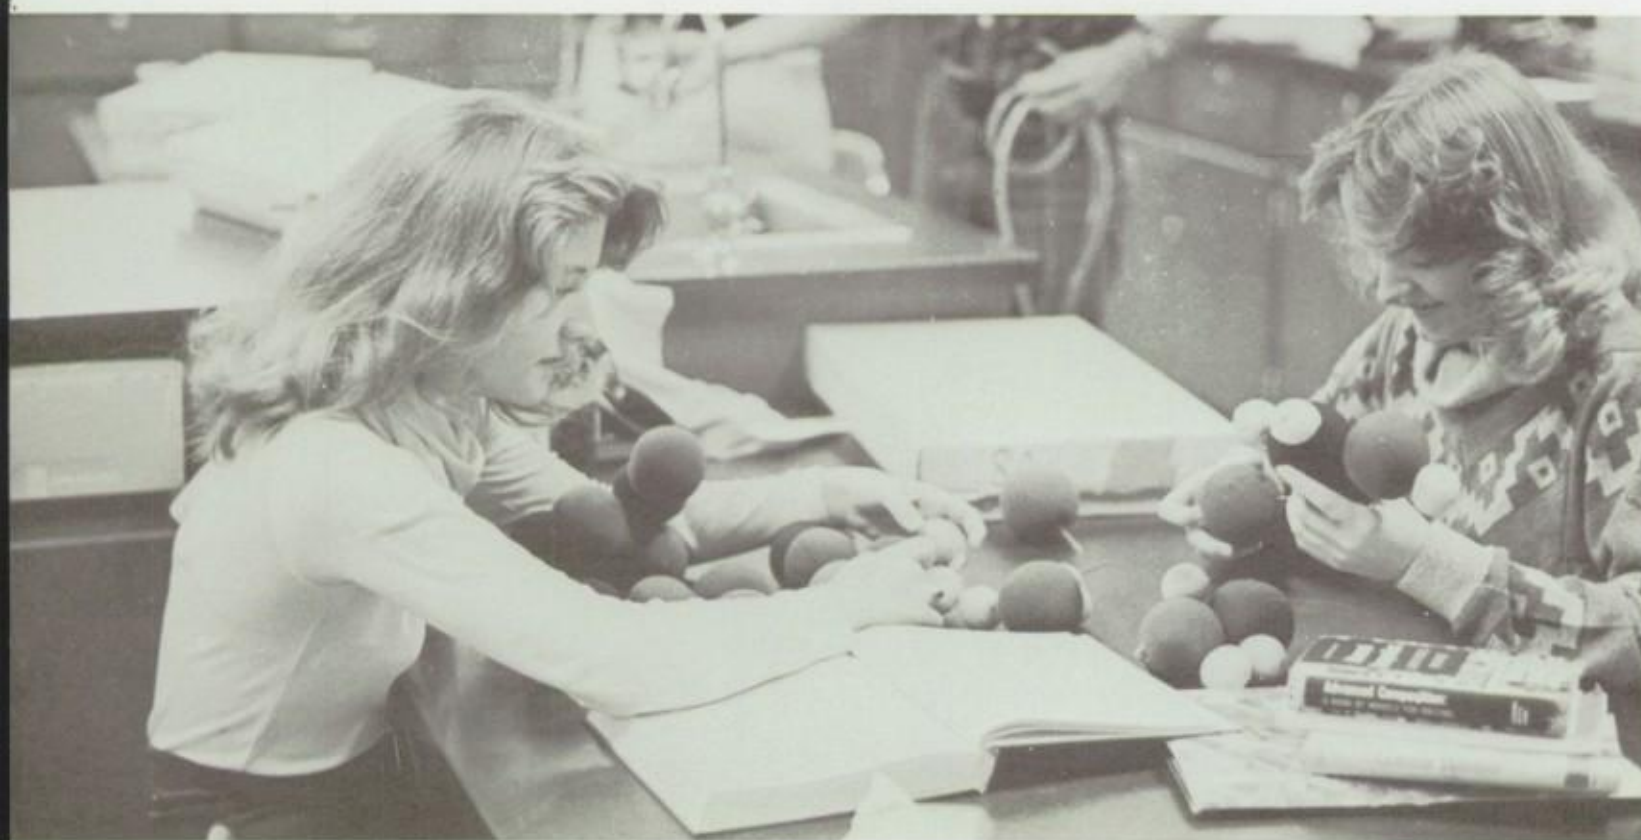

1. Kenneth Stewart studies the elements of a cricket before he proceeds to cut-it-up as one of his biology experiments.

2. In this science specialty class here at Northern, students dissect all types of bugs and insects.

3. Diane and Debbie Bland work together on rearranging atoms and molecules in life science class.

2.

1

1. Peggy Visser and Colleen Ferigan listen intently to Mr. Belvin's instructions in their history class.

2. Psychology class offers a variety of experiences and ideas for many students.

2

Social Studies A Sound Foundation

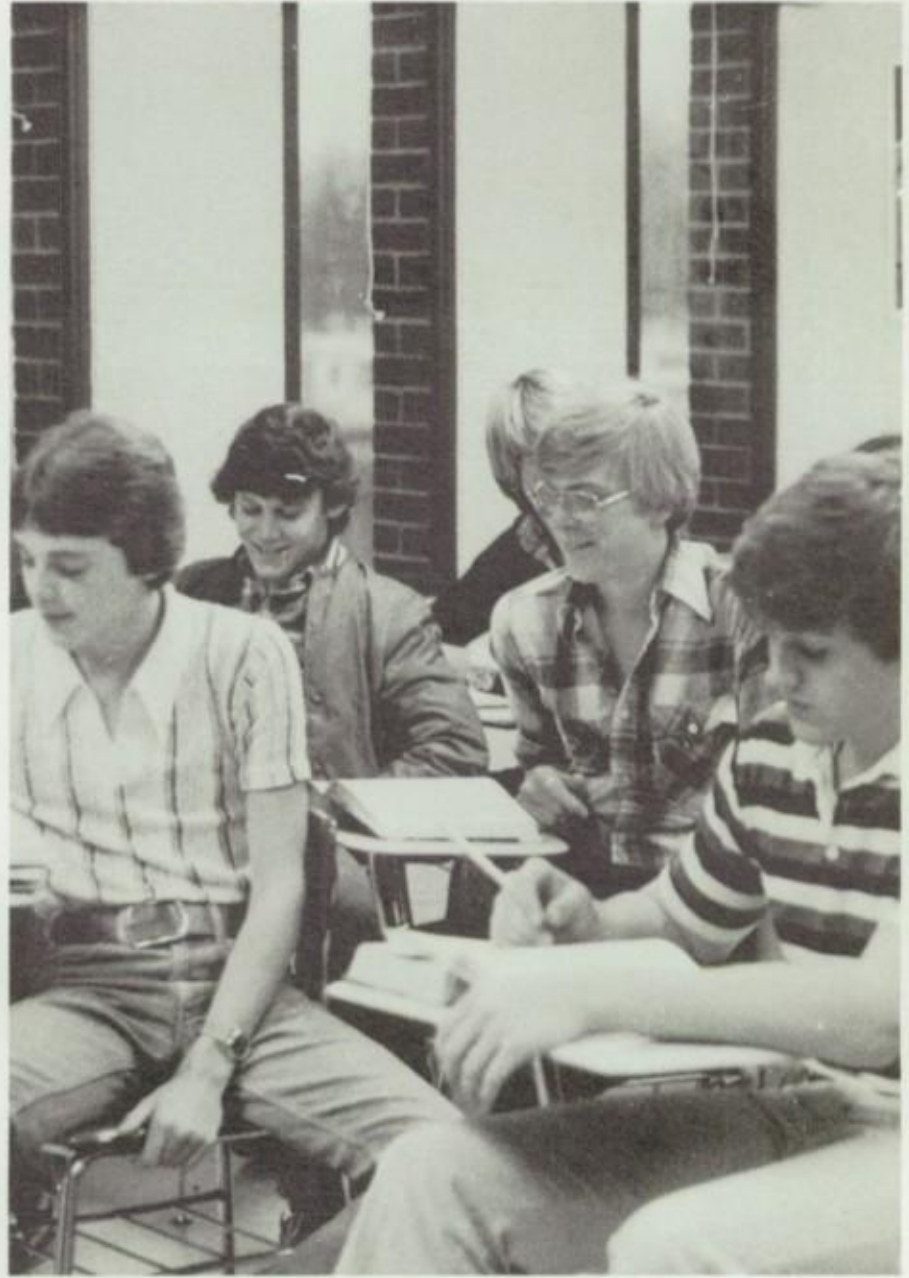

Social Studies 1977-78 was purposed to provide a sound foundation in the social sciences for students attending Northern. The teachers also sought new ways to improve the offers of classes as well as basic curricular revision.

Those students interested in furthering their degree of knowledge in Social Studies were urged to attend the specialty programs taught at Flint Central or Advanced Psychology at Flint Northwestern.

Mr. Brian Veenhuis, a 1962 graduate of Northern, returned to teach in 1968 and has been chairperson for the past 3 years. Of the thirteen teachers in the section, Social Studies Department, Mr. Veenhuis and Mr. Bill Viverette, a 1964 Viking graduate, were the only members of Northern's 50-year Alumni.

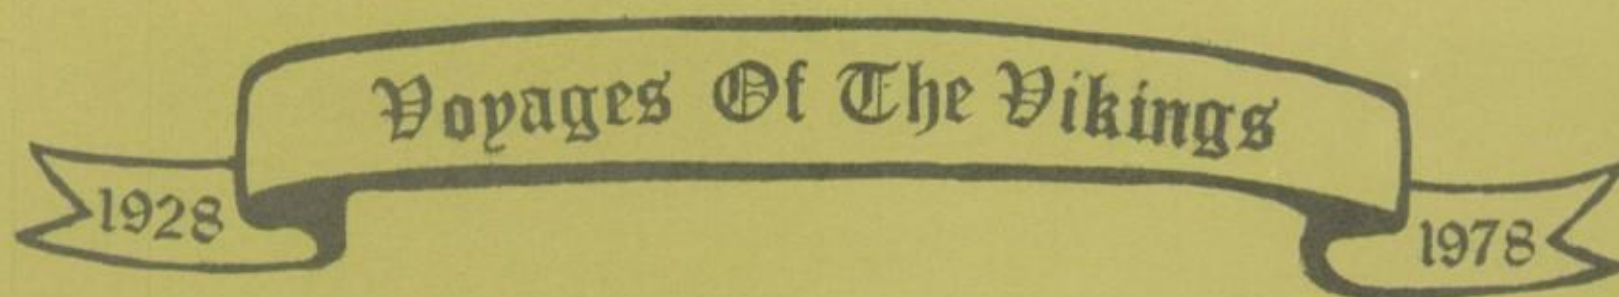

Throughout the 50-year voyage of the Viking ship, history and social studies have served to aid students in learning about the past, and from the gaining of knowledge of the past to make strong and wise decisions relevant to the present day social concerns.

Principal Marvin Pryor gives guest speaker Dr. Fredrick C. Sampson, Reverend of the Tabernacle Missionary Baptist Church in Detroit a warm welcome along with a friendly handshake during our annual Brotherhood Assembly, held for the entire student body in February.

Administrators Plan, Direct, Assist

Mr. Marvin Pryor, principal

Mr. Kenneth Wilson, deputy principal

Mr. Richard Willey, assistant principal for students

Mrs. Bessie Straham, assistant principal for instruction

Mr. Robert Ebmeyer, assistant principal for counseling

Mr. Thomas Pintacura, assistant principal for community education

All of the administrators at Northern had one job goal to obtain. That is, to successfully master the planning, directing and assisting in the evaluation of the instructional program at NHS. There were a total of 7 administrators during the 1977-78 school year. Each one of them worked individually in his or her particular area of administration and their combined efforts helped pull Flint Northern High School through another year.

First of all, there was the captain of the 77-78 voyage—Mr. Marvin Pryor, the principal. His job included leadership in obtaining the prementioned goal and evaluating of all personnel.

The deputy principal was Mr. Kenneth Wilson. Mr. Wilson was assistant to the principal, he formulated the plans for the schedule of class and teacher assignments.

The other administrators were Mrs. Bessie Straham, assistant principal for instruction; Mr. Robert Ebmeyer, assistant principal for counseling; Mr. Dick Willey, assistant principal for students; Mr. Robert Rosborough, staff specialist and Mr. Thomas Pintacura, community director.

These administrators and the previous administrators throughout the past 50-year Viking Voyage have worked to keep the academic level aboard the Viking ship "A no. 1."

Mr. Robert Rosborough, staff specialist

Faculty Busy Assisting Many Students

The staff at Northern this year had 7 administrators, 78 classroom teachers, 8 counselors, 7 clerks, 6 special counselors, custodians, a nurse, a police counselor, an attendance director, and athletic director.

The entire staff was dedicated to seeing that everything that could be, was being done to assure that every student who graduates from NHS would not just have a diploma, but a good sound education.

Northern High prides itself in having by far the best teaching staff in the city of Flint. Staff members and the Viking administrators have worked for many years developing it.

The other members of the staff were considered to be very valuable persons.

The new additions to the teaching staff this year were Mr. Francis Bentley, Mr. George Dedrick, Mr. Jon Fouts, Mr. Robert Shaw, Ms. Scottie Tardy and Ms. Theda Wilson.

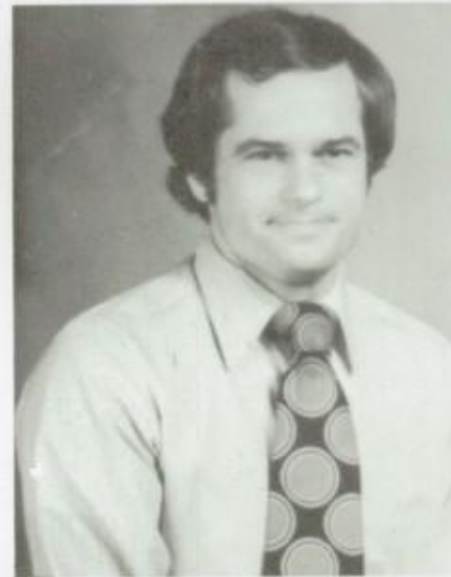

The faculty members throughout the 50-year Viking voyage have been successful in releasing from Northern, thousands of students who went on to be a success themselves.

Looking Back At Prime Memories

The Flint Northern High School Alumni are 50 classes strong. Through the years there have been many changes, but its members stand true today.

Mr. Brian Veenhuis, a 1962 graduate, who is now a Social Studies teacher at NHS noted that the changes were "Significantly different, students then were more concerned about school and learning."

Many families make Viking Alumni a tradition. Senior Joann Creamer is the daughter of 2 Viking grads, Mr. and Mrs. James (Junaila Timmons) Creamer. Senior Sheri Bryant is the daughter of Mr. Norman Bryant, a 1955 graduate and sister to Sue Bryant, a 1976 grad. Lisa Cooley, 1978 senior, was the 5th member of her family to become Viking alumni. Holly Heimforth, senior, represented the 3rd generation of her family to graduate from NHS: Her father Edward P. Heimforth, graduated in 1946, and her grandfather, Raymond Anderson (Erickson) in 1928.

As the Viking voyages continue, each year the alumni will continue to expand, but the times had at Northern are unforgettable.

1. This was the home of the Vikings until the new Northern was built in 1972. The building still stands and it leaves many memories for Northern Viking Alumni.
2. John Kalakay, owner of John's Place patiently awaits for the time when the Northern students come to the store to congregate.

The House That John Built

Just across the street from the soft green of Northern's campus lies the new estate of John Kalakay. The distinguished gentleman who will saturate this edifice with his wife and six children is lovingly known in the realm of society as "Johnny".

We admire this energetic little man, for upon being asked what the secret of his success was, he uttered a statement which will go down in history. "It only takes 100 pennies to make a dollar." Symbolic of Johnny's sterling character is his broomstick. So long as brooms are manufactured he will go on with his epic sanitation projects. ("Please put the paper in the basket, boys.")

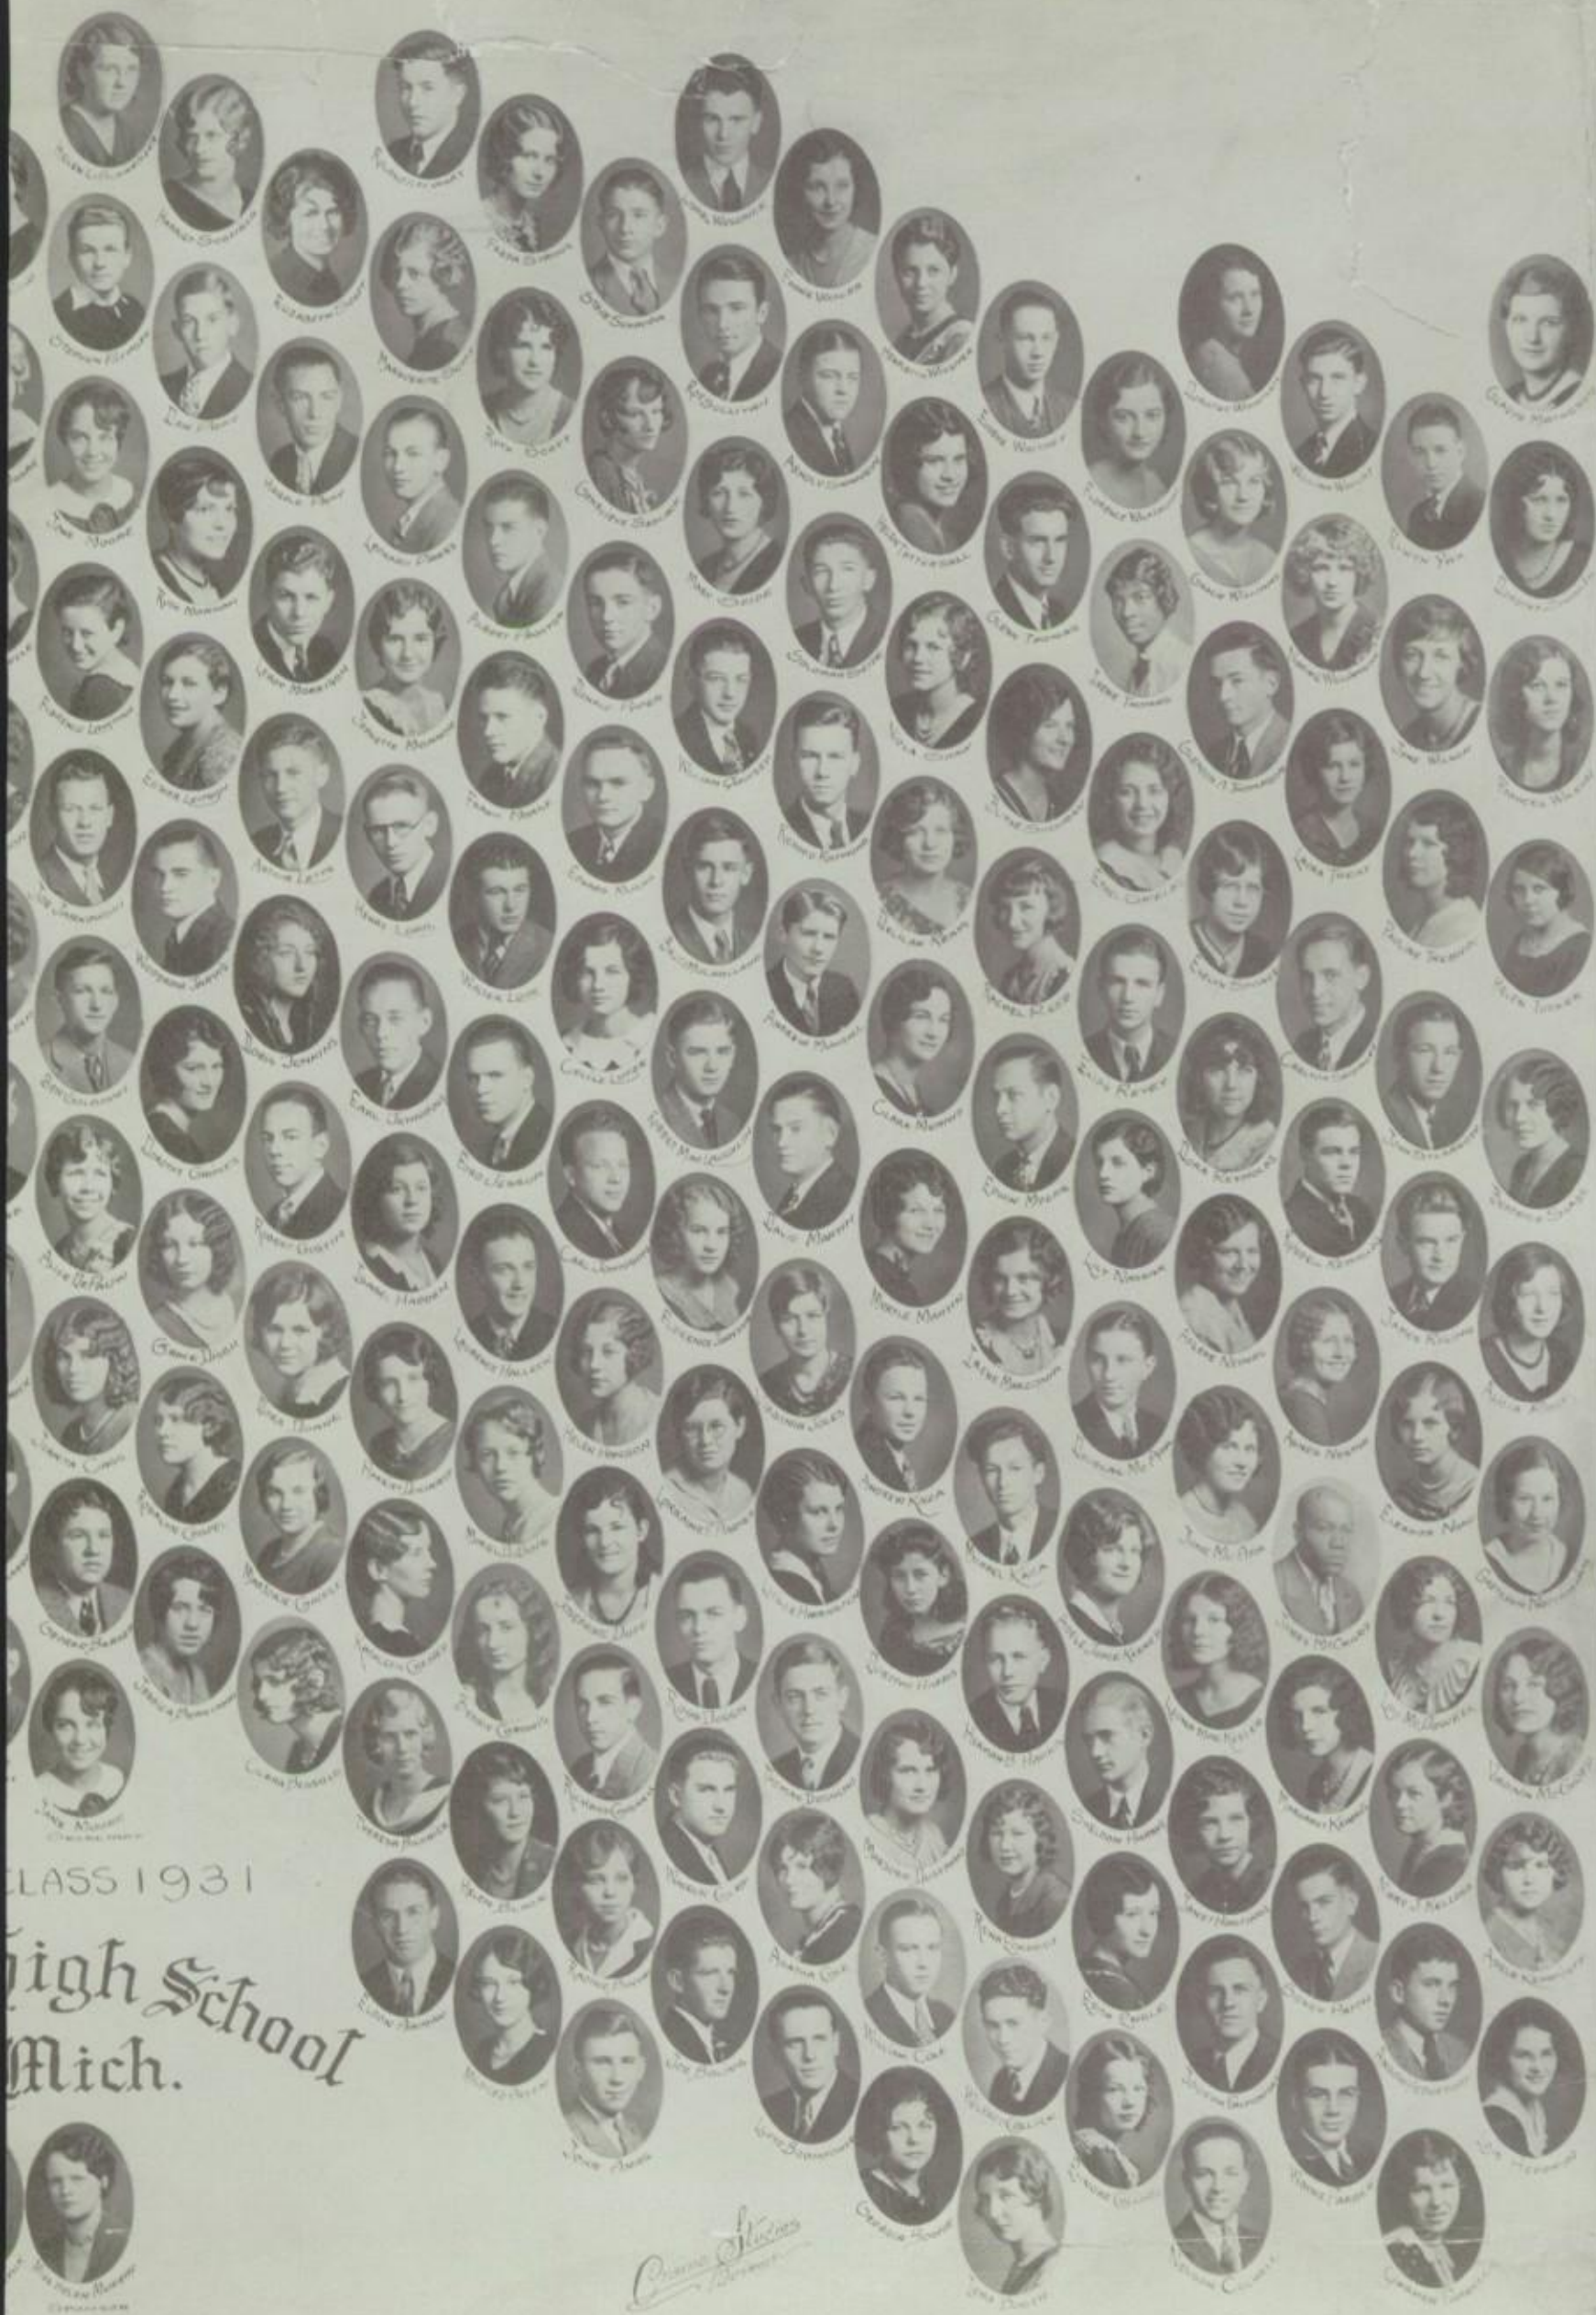

This dynamic man has been victorious through the ages challenging all characters and eventually winning the hearts of even the most unscrupulous mortals. After all, home is what you make it and Johnny has the power to make his the home of all homes. And his new house is but a cover for the jar of sweet human friendliness to be found within. Once our pennies added up to buy John a new pair of clodhoppers, Johnny was very sincere when he asked us to thank all of "his boys" for helping him to purchase his dream house. But we believe that we owe our thanks to Johnny, and we can all look with pride at "The House That John Built".

1. The 1977-78 Noroscope staff donned coats, jackets and hats as they rejoiced in sub-zero weather over the fact that the yearbook was nearly completed. The students worked long hours to make the 50th anniversary book the best yearbook on the history of the Vikings.

Noroscope Staff Exerts Time, Patience While Working On Yearbook

The 1977-78 Yearbook staff was very busy in their attempt to produce the best yearbook yet. This, along with the commemoration of Northern's 50th anniversary and trying to make a better book from a literary standpoint were the main aspirations they held in view as they determined to meet the ever-present deadlines.

The editors for '78 were

Editors: Debbie Wilson and Joann Creamer

Copy Editor: Lisa Cooley

Photo Editor: Janice Powers

Index Editors: Teresa Gooslin and Julie Sanochi

Layout Editor: Martha Morrissey

Alumni section Editor and 50th anniversary coordinator: Sheri Bryant.

The advisor Ms. Dorothy Stradford worked daily with the editors and staff to produce the biggest yearbook ever, 300 pages.

The 1978 edition included the special Alumni section with gold and silver pages in commemoration of the 50th anniversary of Flint Northern Community High School.

1. The editors examine final pages before the completion of the Noroscope. Debbie Wilson, editor; Joann Creamer, editor; Beverly Johnson, photographer (standing); Kathy Kelley; Ms. Dorothy Stradford, advisor (standing); and Gwen Cole check all last minute details.
